Freshmen and upperclassmen alike stirred in their seats ten minutes longer in 1972-73 as Thornridge returned to an extended day schedule for the first time since 1968. The 55-minute classes included five half-periods for lunch, numerous study halls and an innovation: student prep. Students could devote time and energy to a club which met during the other half of their lunch period or spend the 25 minutes in student prep, which was really a short study period. The cafeteria became the place to

meet friends and satisfy morning hunger pains. Students with 4A lunch, however, found it hard to muster up hunger at 10:45. The election year 1972 created many problems, not only for 18-year-olds, but everyone. Decisions had to be made, whether alone or with help. Students deluged counselors, teachers and administrators with questions and more questions. Everyone had to solve his problems in the best way he could. He had to search, to reach out and FIND THE ANSWER.

# 'Cold wave' hits TR!

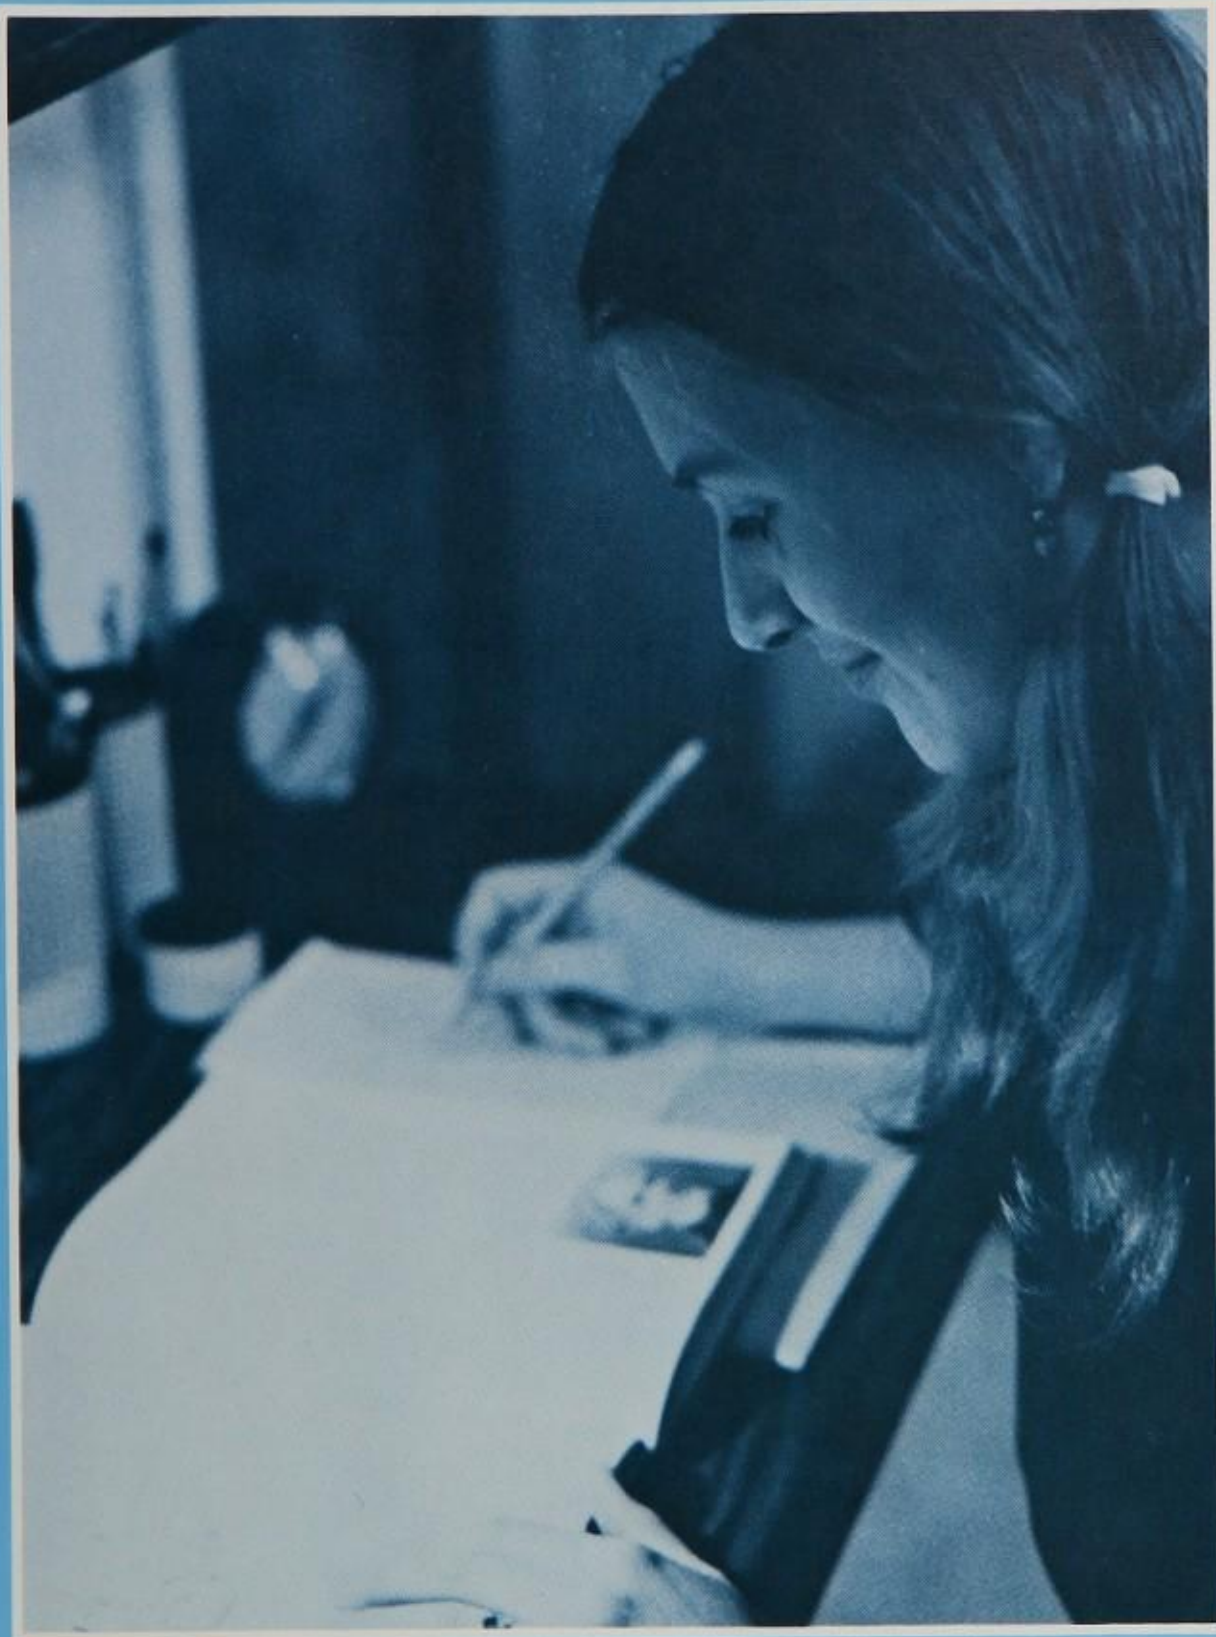

Iceland comes to Thornridge with Sibba Hauksdottir and many people are surprised to find out it is not as cold as they thought.

The '73 AFS foreign exchange student makes her American home in Dolton with the Patrick Culloms.

The Culloms try to give Sibba a sample of the American way of life — pizza, football and all — in the hope that Sibba will take TR and the United States back to Iceland.

# Longer day emerges

The once deserted cafeteria is filled with the noisy clatter of trays. The courtyard is "rediscovered." Activities are juggled as students

adjust to the full day schedule. Longer periods, study halls and student preps provide more time to think, to breathe, to be a person.

# TR cares, helps out

Making someone happy, getting that good feeling by helping without being asked;

Giving and sharing talents and skills to make things easier for everyone else;

Doing anything and everything to

make the community a better place to live, even if it means doing someone else's share;

TR students care about their community and the people in it.

They offer their time and energy.

They want to, and do, help!

## Spirit oozes thru mud

Mud, sweat and tears accompany the 1972 Homecoming festivities. Cheerleaders, Lassies and Pom-Pon girls bring the students to a fever pitch during the pep assembly. A mud-caked football team notches TR's tenth consecutive homecoming

win against arch-rival Thornton. Parade plans are drowned out and the band decides not to venture forth in the downpour. Thornridge travels "Around the World in 80 Ways" under two inches of water with undampened spirits.

# What is TR made of?

TR people come in all shapes, sizes  
and colors.  
Some lecture, some listen.  
Some entertain, some watch.

Some write, some read.  
All of us work and live together for  
five, six, seven hours a day.  
We are what Thornridge is made of.

# Hangouts are havens

The buzzer sounds; the gun goes off and the game is over. Students leave the excitement and pressure behind and head for their favorite "place" to unwind.

Hangouts vary as does the food served in them, but one can usually find TR students in Barnaby's, Dog 'n Suds, Dairy Queen, Dunkin' Donuts, Cal's and Burger Chef.

**Top Left:** Marcia Hodges (foreground) waits on customers at Dog'n Suds.

**Far Left:** Becky and Blythe Denham and Bill Redman take a time-out at Dairy Queen.

**Left:** Car hop Nancy Schultz keeps her customers satisfied at Dog'n Suds.

## Seniors find answers

The strains of "Pomp and Circumstance" fill the air. 1179 seniors hurry across the makeshift stage. No one has the right diploma, but it really doesn't matter.

Many questions have been answered, but somehow, even more appear as new adults shed their childish ways and prepare to face the world.

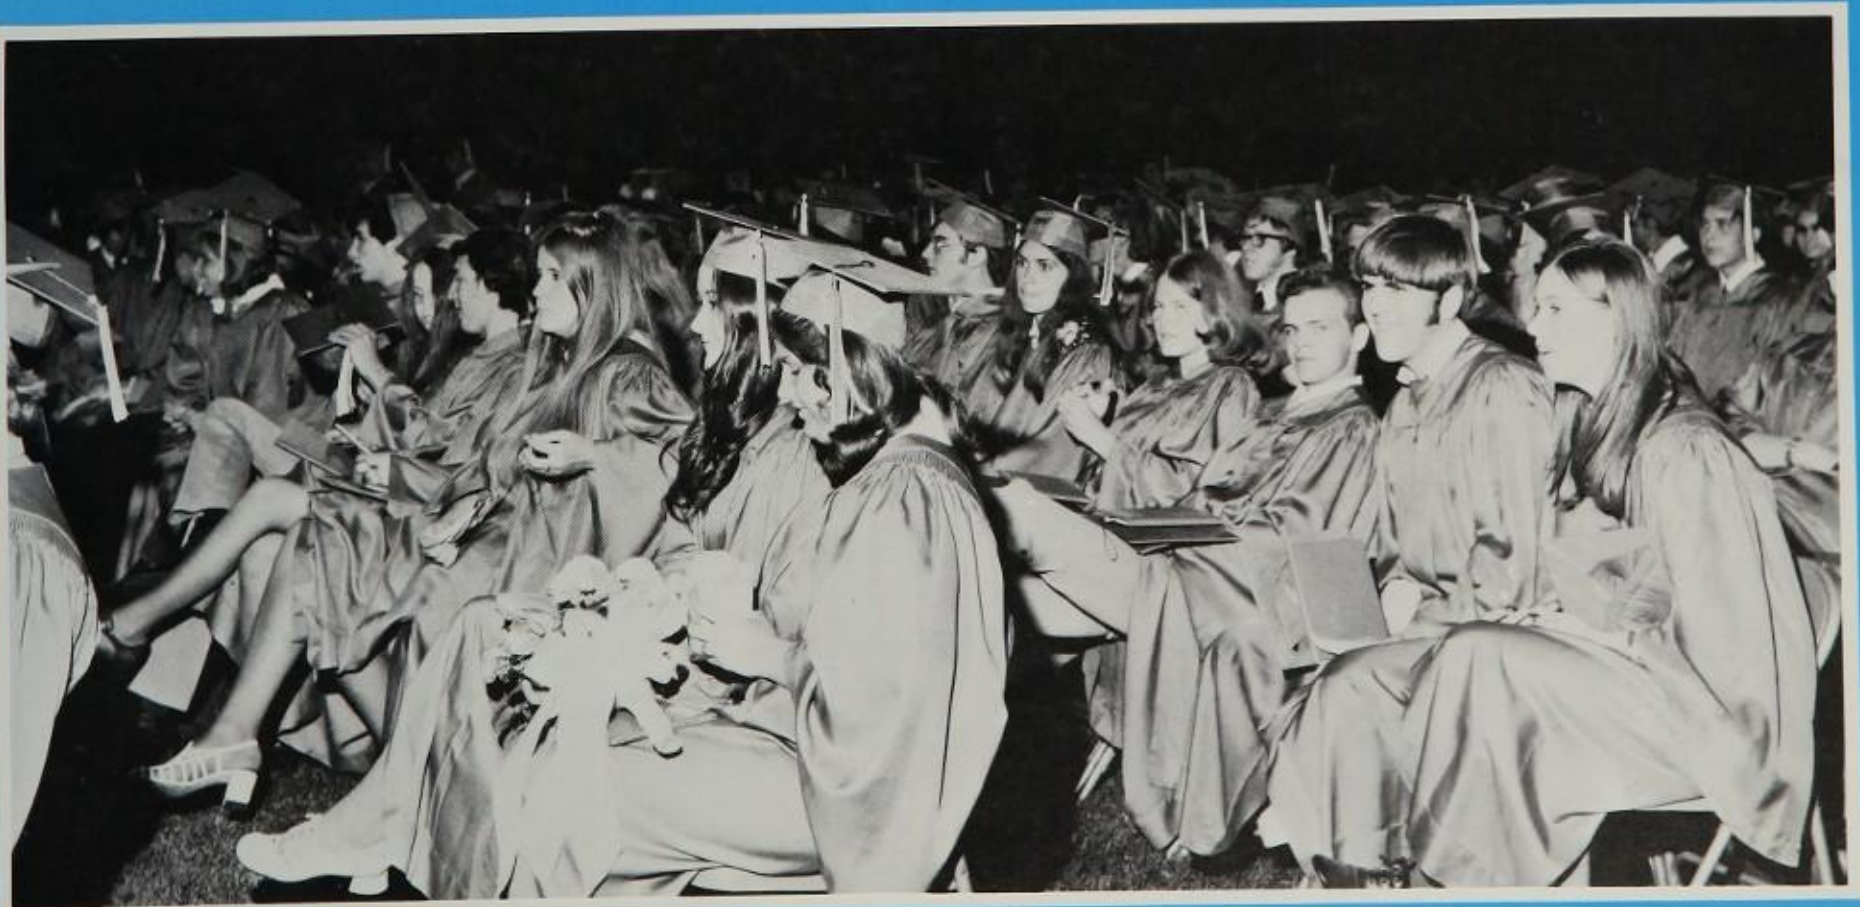

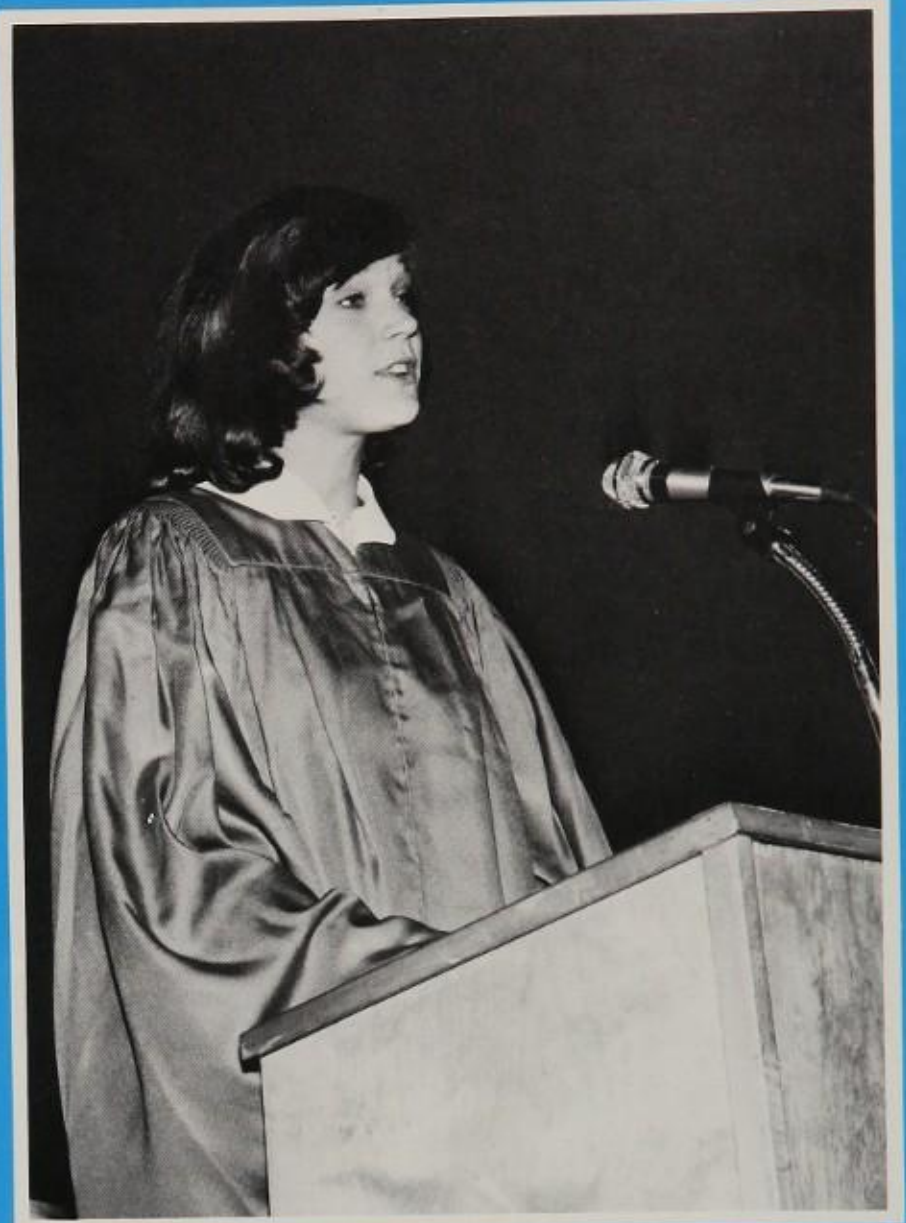

**Top:** TR super-star Quinn Buckner proudly receives his diploma from Mr. Vandenberg.

**Right:** Dave Kumaki warns the graduates of the new generation's responsibilities.

**Far Right:** A concerned Laurie Meurisse ponders the way to beat the establishment.

**Bottom:** The class of '72 display the mixed emotions that accompany graduation.

# A Building is alive with sound of music

The sound of music floated from upstairs A Building this year thanks to TR's vocal and instrumental groups who practiced every day of the week. Each member received a full credit for his participation.

Miss K. Kennicutt, a new faculty member, took charge of Freshman Girls Chorus, Freshman Mixed Chorus and Girls Glee Club. Mr. R. Anoe directed Girls Chorus and Mr. L. Runestad called Sophomore Choir and Chorale "his choirs." The 16 Madrigals came from the membership of Chorale.

Members of Marching Band performed at football games and Stage Band entertained at basketball games. (Who will forget the Budweiser song?) Beginning, Junior Varsity, Varsity and Symphonic Bands, all directed by Mr. A. Wasik, shared their talents to improve their playing ability. The band traveled to Disney World in Florida for their spring tour and Chorale went in the same general direction to Atlanta, Ga.

Bands and choirs make music in A Building.

Marching Band practices for hours to attain the precision seen in their performances.

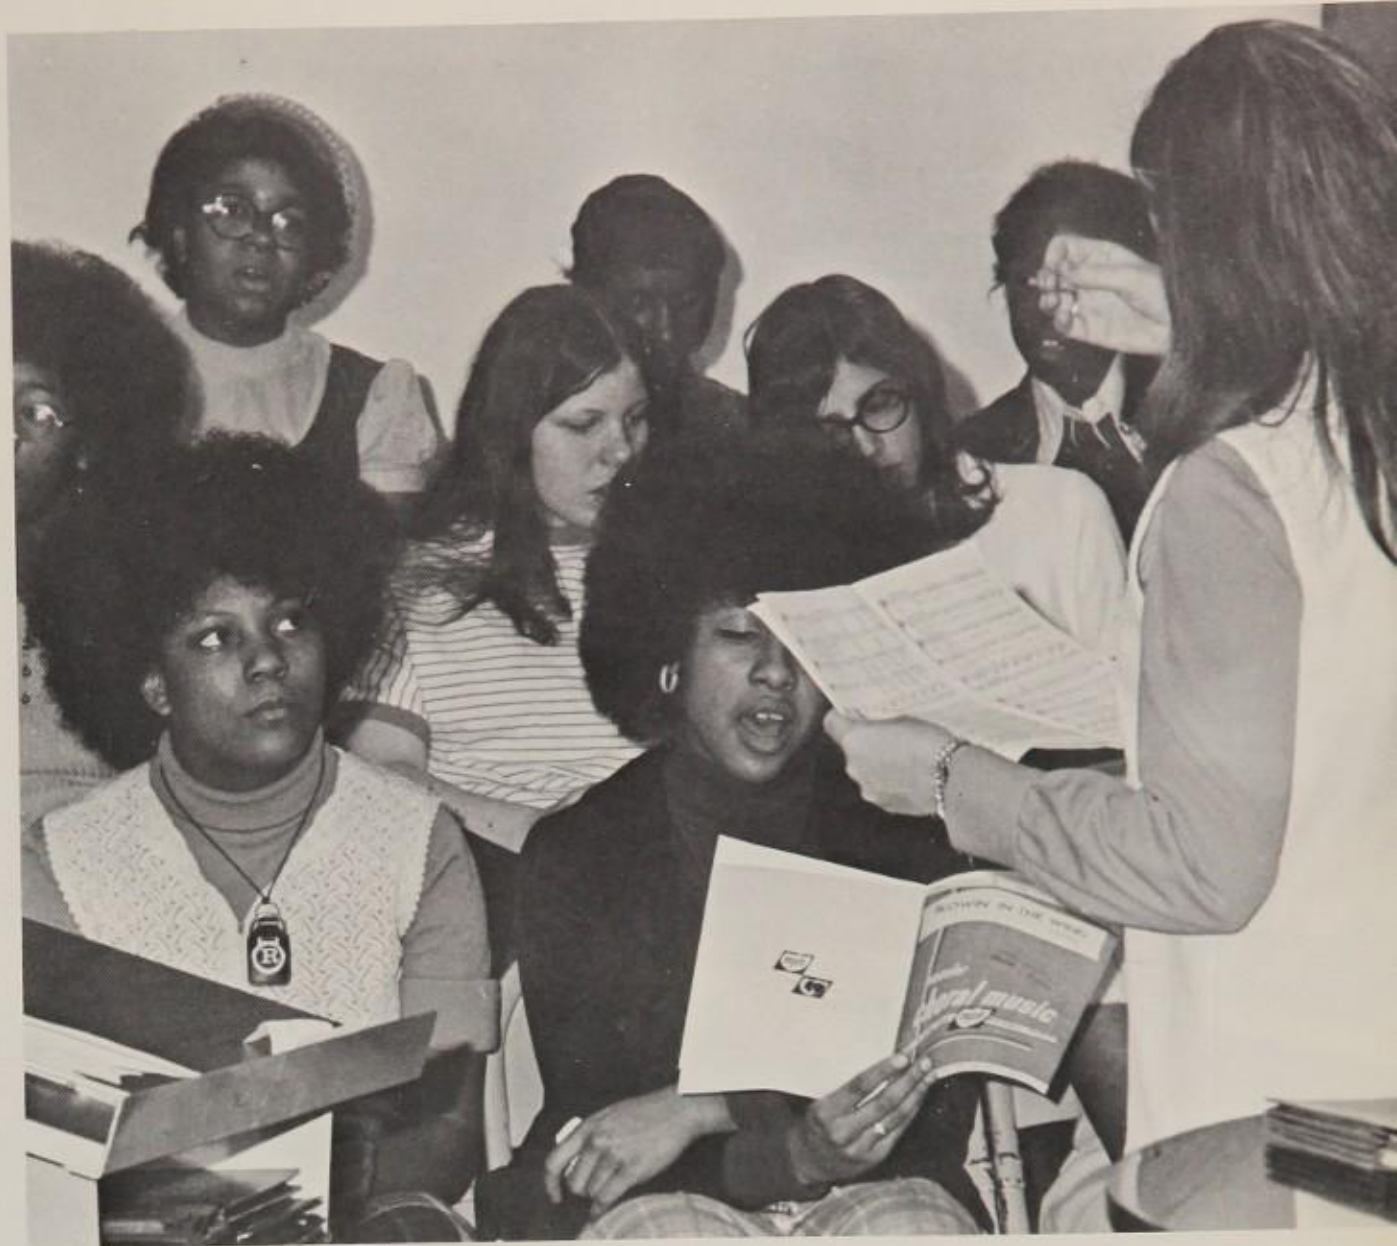

Mr. Wasik, perched on his ladder, leads the band as they play in "TK" formation at nighttime.

Rich Unterberg is master of the keyboard.

The Freshman Mixed Choir, directed by Miss K. Kennicutt, sways to "Blowin' in the Wind."

Joanne Oetjen, Chorale accompanist, hides her crimson face behind the piano as director Mr. Runestad gives her a ribbing.

B Building houses the next 5 departments.

Chris Hughes works on her jewelry piece, paying careful attention to her sewing technique.

For a change of scenery, these two students go outside to use the courtyard's settings.

One way to express a feeling might be to build your imagination into clay, as Jimmy Stuart does here.

Pat Grochocinski prepares to smooth off the rough edges of her art object.

## Inner feelings find expression through art

Self-expression is a feeling within that grows through discovery.

Drawing and Painting I & II students worked in acrylic, oil, and water colors. Ceramics and Sculpture made everything from pinch pots to sculptures. Printing and the relationships of colors and shapes occupied Printmaking and Design students. Bracelets, chokers, and pins were made in Jewelry. Art Studio allowed the individual to experiment all areas of art including woodcarving and silk screening.

Feeling, touching, and seeing contributed to the creation of projects that reflected individuals' own personalities. Through art came an expression of one's mind.

## Home Ec. adds home mechanics

Cooking dishes from around the world and understanding children and marital problems are just a few of the topics covered by the Home Economics Department, which is no longer limited to girls.

Marriage Today and Child Development helped students get a better understanding of themselves and children. Heritage Cookery and Modern Meals provided an outlet for those with culinary interests. Management For Living and Housing and Home Furnishings prepared

students for family life.

Home Mechanics, a new course, taught girls to cope with everyday mechanical problems. Students interested in food service occupations received on-the-job training in Home Economics Related Occupations (HERO).

Creative Clothing gave students a basic understanding of skills in clothing construction and management, and tailoring presented more professional construction techniques.

A child enjoys the care she receives.

The children in the Child Care course were taught a variety of things, such as various colors, shapes and textures of the materials.

A dash of this, a pinch of that, top with cheese, and you have a pizza. Just one thing you'll learn in Home Economics.

In Home Economics everything that is made has to be eaten, but these girls don't seem to mind.

Coloring books provide hours of amusement.

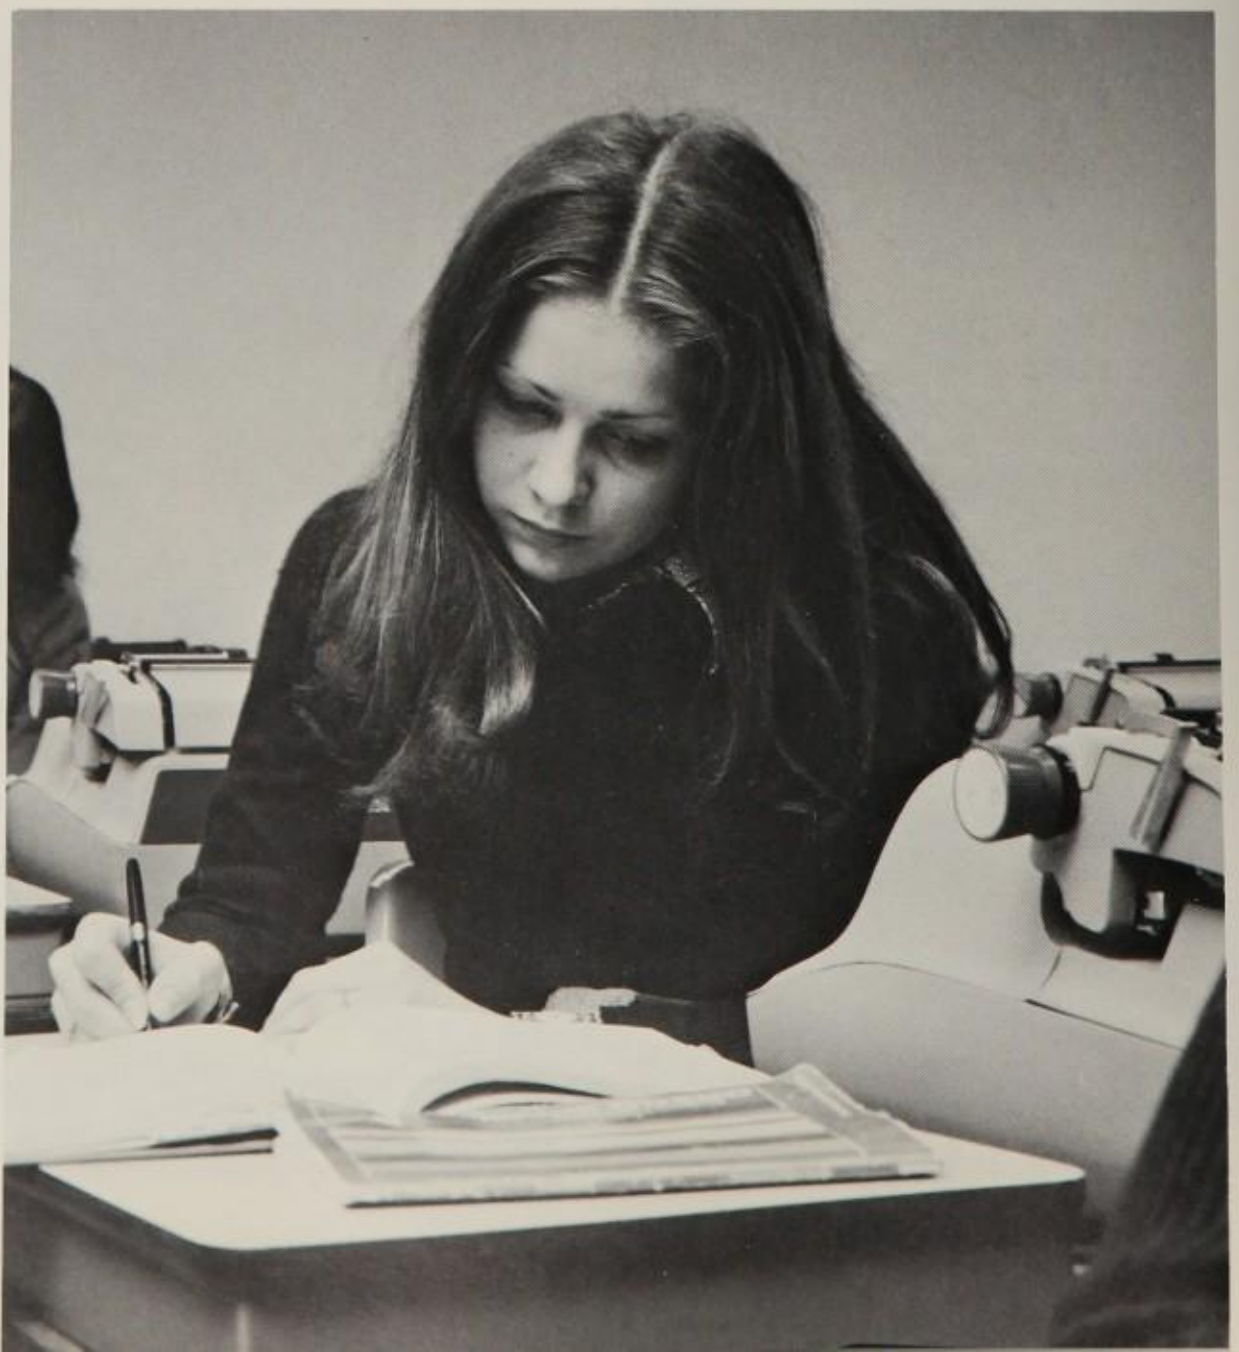

Mrs. Whiteside's shorthand class learns the method of taking notes from dictation by substituting symbols for sounds of words.

Chris Koneck concentrates on her shorthand.

Rick Smith and Chuck Schmied are evidence of "men's lib" and prove girls aren't the only ones who can master typing skills.

## TR students enter their own business world

Courses offered in the Business Department give students a chance to learn systems of recording and classifying and summarizing business transactions.

Classes such as Consumer Education help students understand how our economic system operates. Data Processing, Business Machines and Card Punch and Typing offer assistance in learning to operate typewriters, IBM computers, card punch machines and offset duplicators.

Business English, Shorthand and Transcription Typing help future secretaries develop better vocabularies and acquire necessary skills. College-bound students find Note-hand and Personal Typing to be a helpful combination course.

Mr. Clauson helps Dorothy Krieger in typing.

## Books tap storehouse of emotions

A vast storehouse of world literature enriched by human tragedy waits to be tapped. Forces that shaped life in the past become clearer through the eyes of the skillful writer and poet.

The English Department tries to meet the requirements of every student by offering developmental, independent studies and advanced courses such as World Humanities, Creative Writing II (Talisman) and Journalism II (Bagpipe).

The development of the English language, literature and writings of such authors as Shakespeare and Tennyson are explained in Survey of British Authors. Multi-Ethnic Literature covers minorities and their increasing roles in society. Organizing material and expressing thoughts clearly is the purpose of Rhetoric and Literary Analysis.

Fashions were important in the colonial days, and Keith Morman presents them to the class.

A few of the students from Mrs. E. Furman's AC&C class present a skit showing what the culture of the colonial days was like.

A sophomore English class takes a closer look at a small replica of the Globe Theatre, the first Shakespearian Theatre in history.

Kristi Schreckengost bakes biscuits from old colonial recipes as part of her role as a mother.

# Broadcasting, costuming also part of speech

The finely polished art of persuasion, experience in the field of broadcasting, and historical costume design are just a part of the Speech Department's far-reaching courses.

Debate I & II emphasize logic, delivery, and analysis of speeches. Radio and Television students produce and direct video tapes of the basketball and football games over WTHS, Thornridge's station.

Speech I, a requirement for all freshmen, focuses on basic speech techniques. In Speech II, students concentrate on stage design, lighting, and effective make-up.

Stagecraft covers construction of miniature sets, period costumes, and operation of the lighting system. For students interested in the theatre, Theatre Arts specializes in acting and theatre criticism.

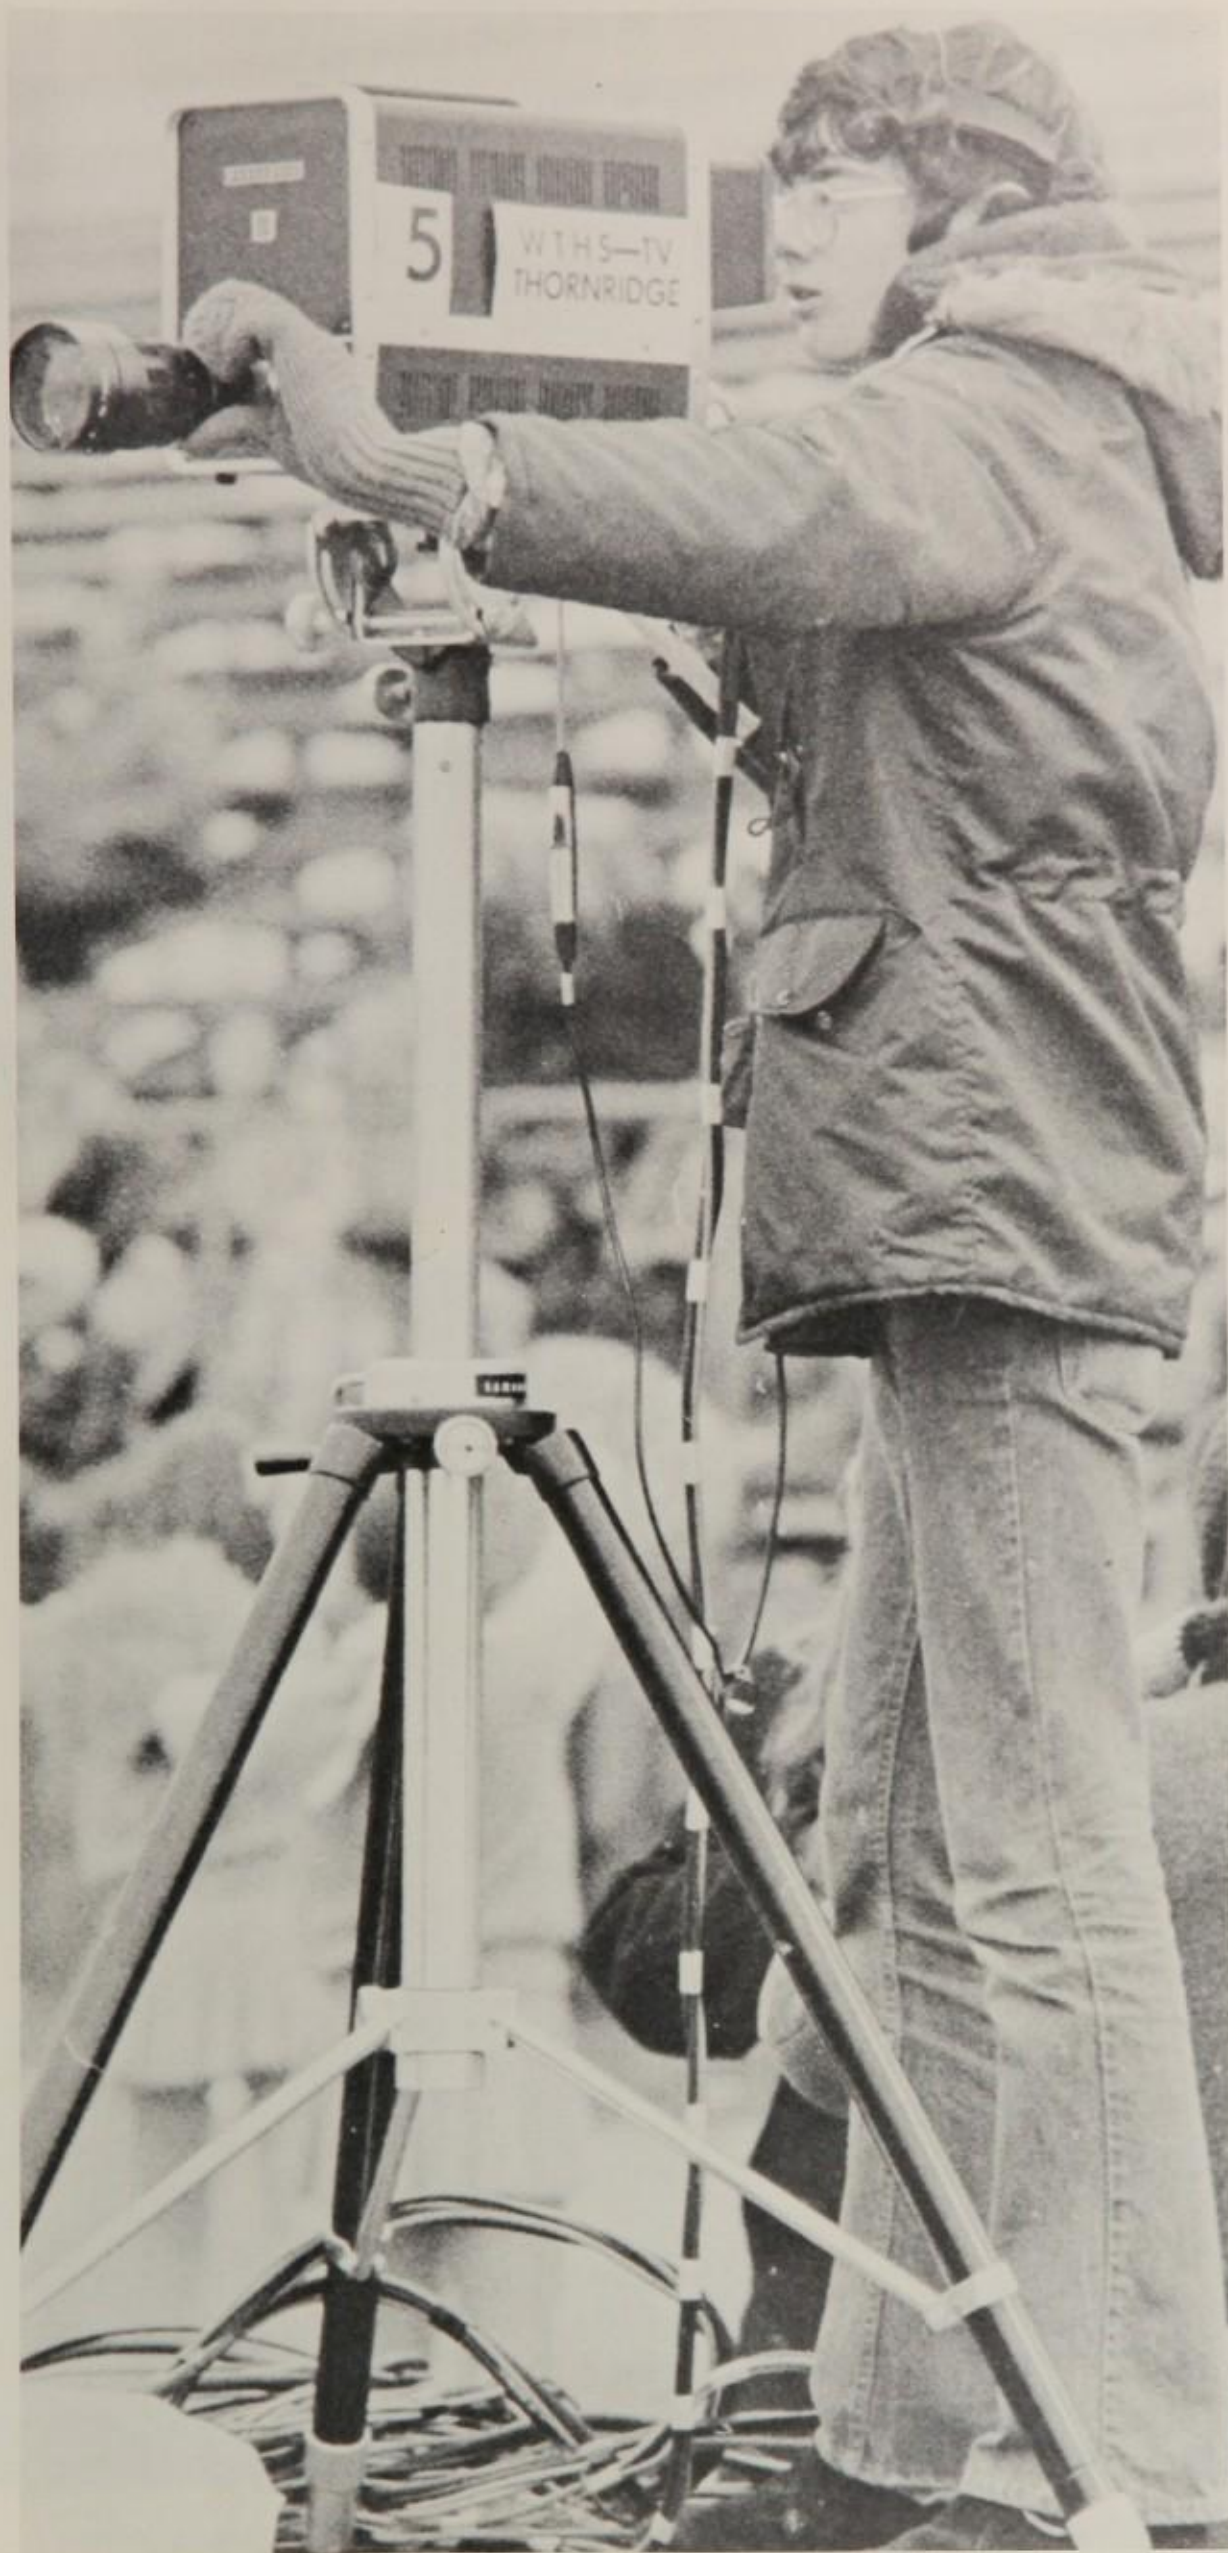

Radio and Television students brave the rain and mud to video tape the Homecoming game.

Mr. Benjamin and his class operate the complicated electrical equipment used to tape the Thornridge-Thornton basketball game.

Jan Prokop calmly delivers a speech.

Camerman Steve Bay of WTHS-TV Thornridge focuses in for a close-up of an exciting play.

# Math found essential for daily life

If a student does not wish to go to college or enter business, math will still undoubtedly help in his future just in everyday living.

$(r \operatorname{cis} \theta)^n = r^n \operatorname{cis} n\theta$   
 $8 = 8 [\cos 120 + i \sin 120]$   
 $= 8 \operatorname{cis} 120$

A black and white photograph of a courtyard. The courtyard floor is composed of large, rectangular sections of light and dark material, creating a geometric pattern. A person is walking on one of the light sections. In the background, there is a parking lot with several cars and a building. The image is taken from a high angle, looking down into the courtyard.

A black and white photograph of a young man with glasses, wearing a light-colored shirt, sitting at a desk and looking down at a book or papers. He is holding a pen. In the background, another person is visible, also working at a desk. The room has several framed pictures on the wall.

In Math, homework is not unusual. Carl Rossow proves this as he tries to solve problems.

Mr. F. Coleman points out the fundamentals of a problem.

Mrs. A. Smith, of the Math Department, prepares to show Merlin Osgood the techniques of problem solving.

The advantages of a language lab assist Miss Schweitzer in checking the students' progress in vocal and comprehension skills.

**French Honor Society:** Front Row: Debbie Griffin, Sheri Nelson, Linda Baranowski, Patty Gomben, Marianne Murphy; Row 2: Shelly Wilkinson, Liz Hall, Sheryl Bringman, Glen Kommer, Kathy McDonald; Row 3: Ellen Granda, Darlene Reitz, Joan Anderson, Cindy Patterson, Dave Midtlyng, Linda Condon, Dennis Sims.

German student, Glenn Christian, looks over his supplement reviewing new vocabulary words.

# American Airlines Mexico

## Russians and Romans flee from TR

Romans and Russians could not be found at TR in '72-73, as the teacher for Latin and Russian left, with no replacement to carry on.

The Frenchmen, Germans and Spaniards each had four years of the language offered. If the students continued past the first two years which are mostly grammar, writing skills and conversation, they delved into the customs and culture as well as literature. A French V class is being planned for next year for students that had French in grammar school and started with French II their freshman year.

Mrs. B. Ryan uses pictures to aid her students in learning their dialogues.

In addition to mastering a language, students learn about the cultures of the countries.

The comprehension of a foreign language requires hours of study and repeating drills.

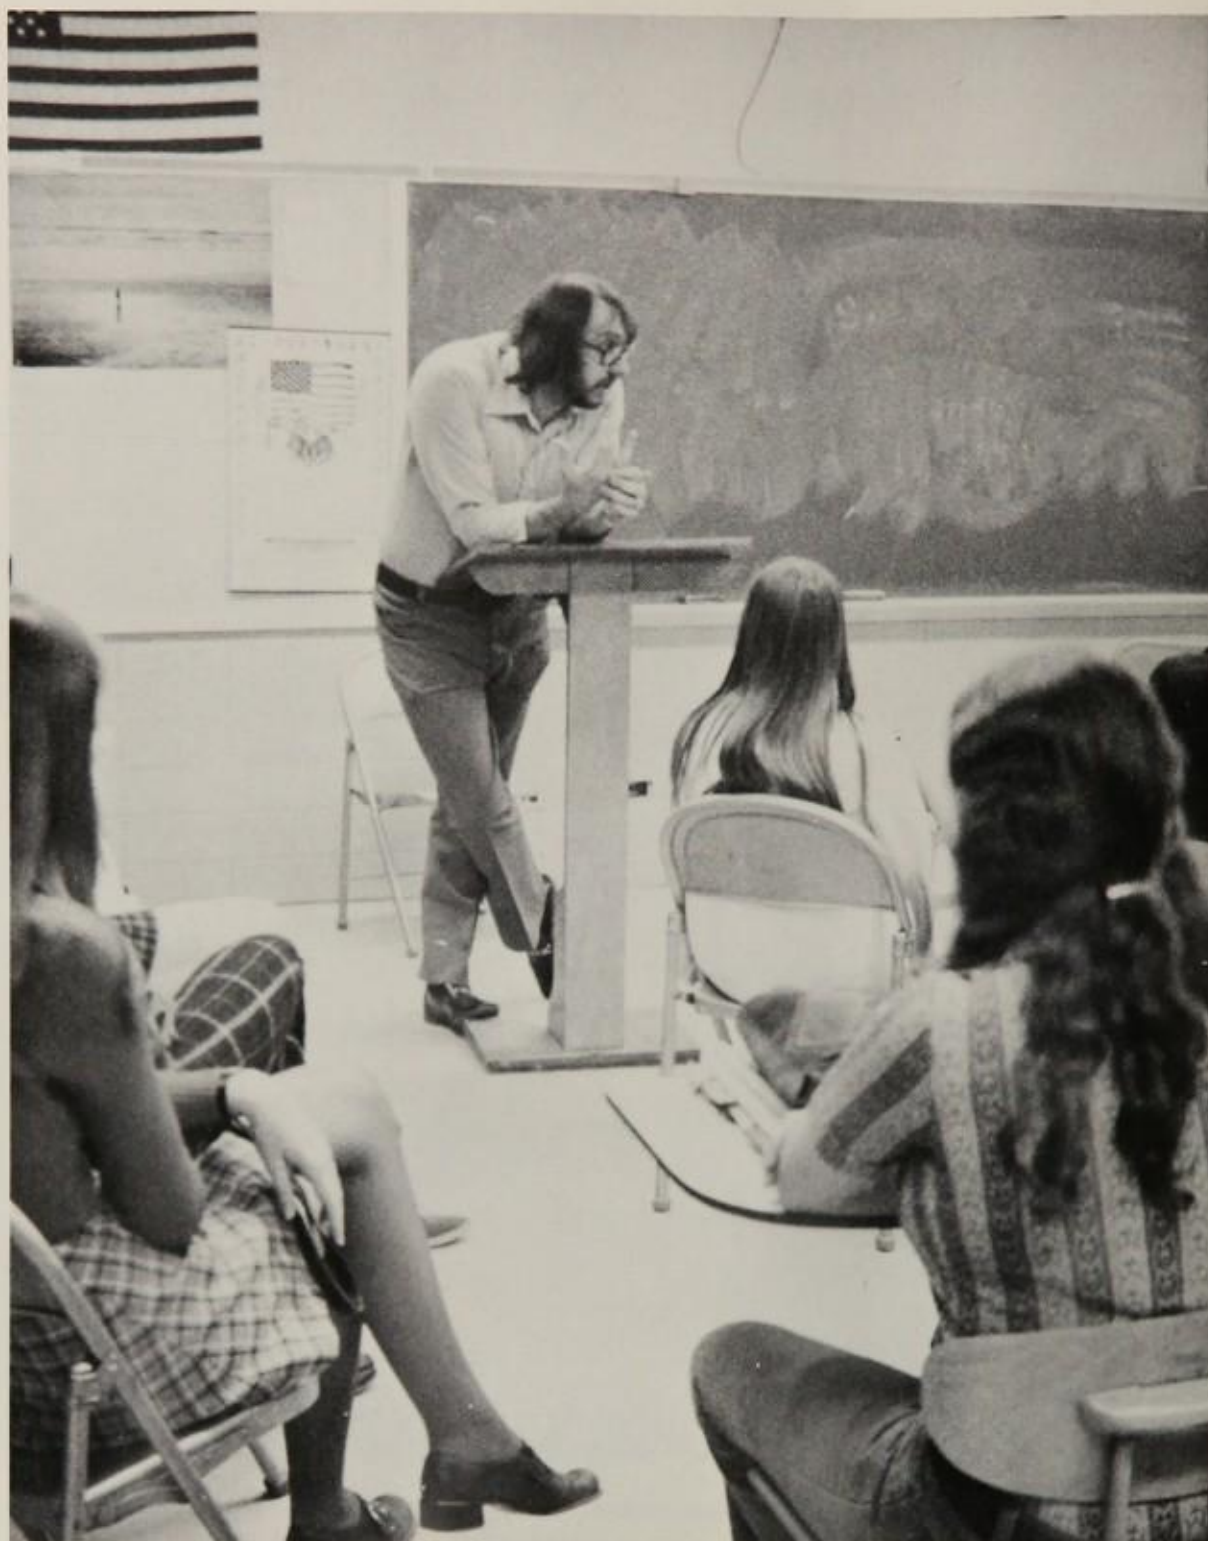

## Social Studies trace heritages of all cultures

Tracing the heritage and history of American culture and analyzing and interpreting the cultures of other people in the world are a few things students learn in World History.

Courses such as General Social Studies and Introduction to Social Studies are offered that introduce students to specialized classes such as Sociology, which deals with the social classes, population and religion in society; Psychology, which studies man's interests and behavior; and Culture and Physical Anthropology. Culture Anthropology helps a student understand the geographic influence on culture types, and physical anthropology examines the relationship of man with animals.

American Civilization and Communication studies the art of communication along with American Civilization and may be taken to meet the required credit in U.S. History.

Concentrating on Mr. Artis's lectures is one of the things the Human Relation class does.

These students in Mr. Rauch U.S. History class concentrate on finishing their tests.

Mrs. Lee's Culture and Geography of Africa class studies the climate, soil, and the relationship between these factors in Africa.

During the November elections, U.S. History classes took a look at the past presidents of the United States.

## Sharing ideas makes science what it is

Labs, experiments, dissecting — the Science Department aimed at discovery this year.

In the science fair, students used their own ideas and abilities to create experiments that might, someday, be helpful to them.

Courses offered were Chemistry, Physical Science, Biology, Earth Science, General Science, Physics, and Senior Science.

Mike Putnam, a sophomore, bred African birds called Shelley's Seed-eaters as an outside project. He is the only known breeder of this bird in the United States.

Science is working with people, sharing ideas, but more importantly, experimenting with the mind.

Cathy Meyer and Laura Lawson work out their differences with a scale in Physical Science.

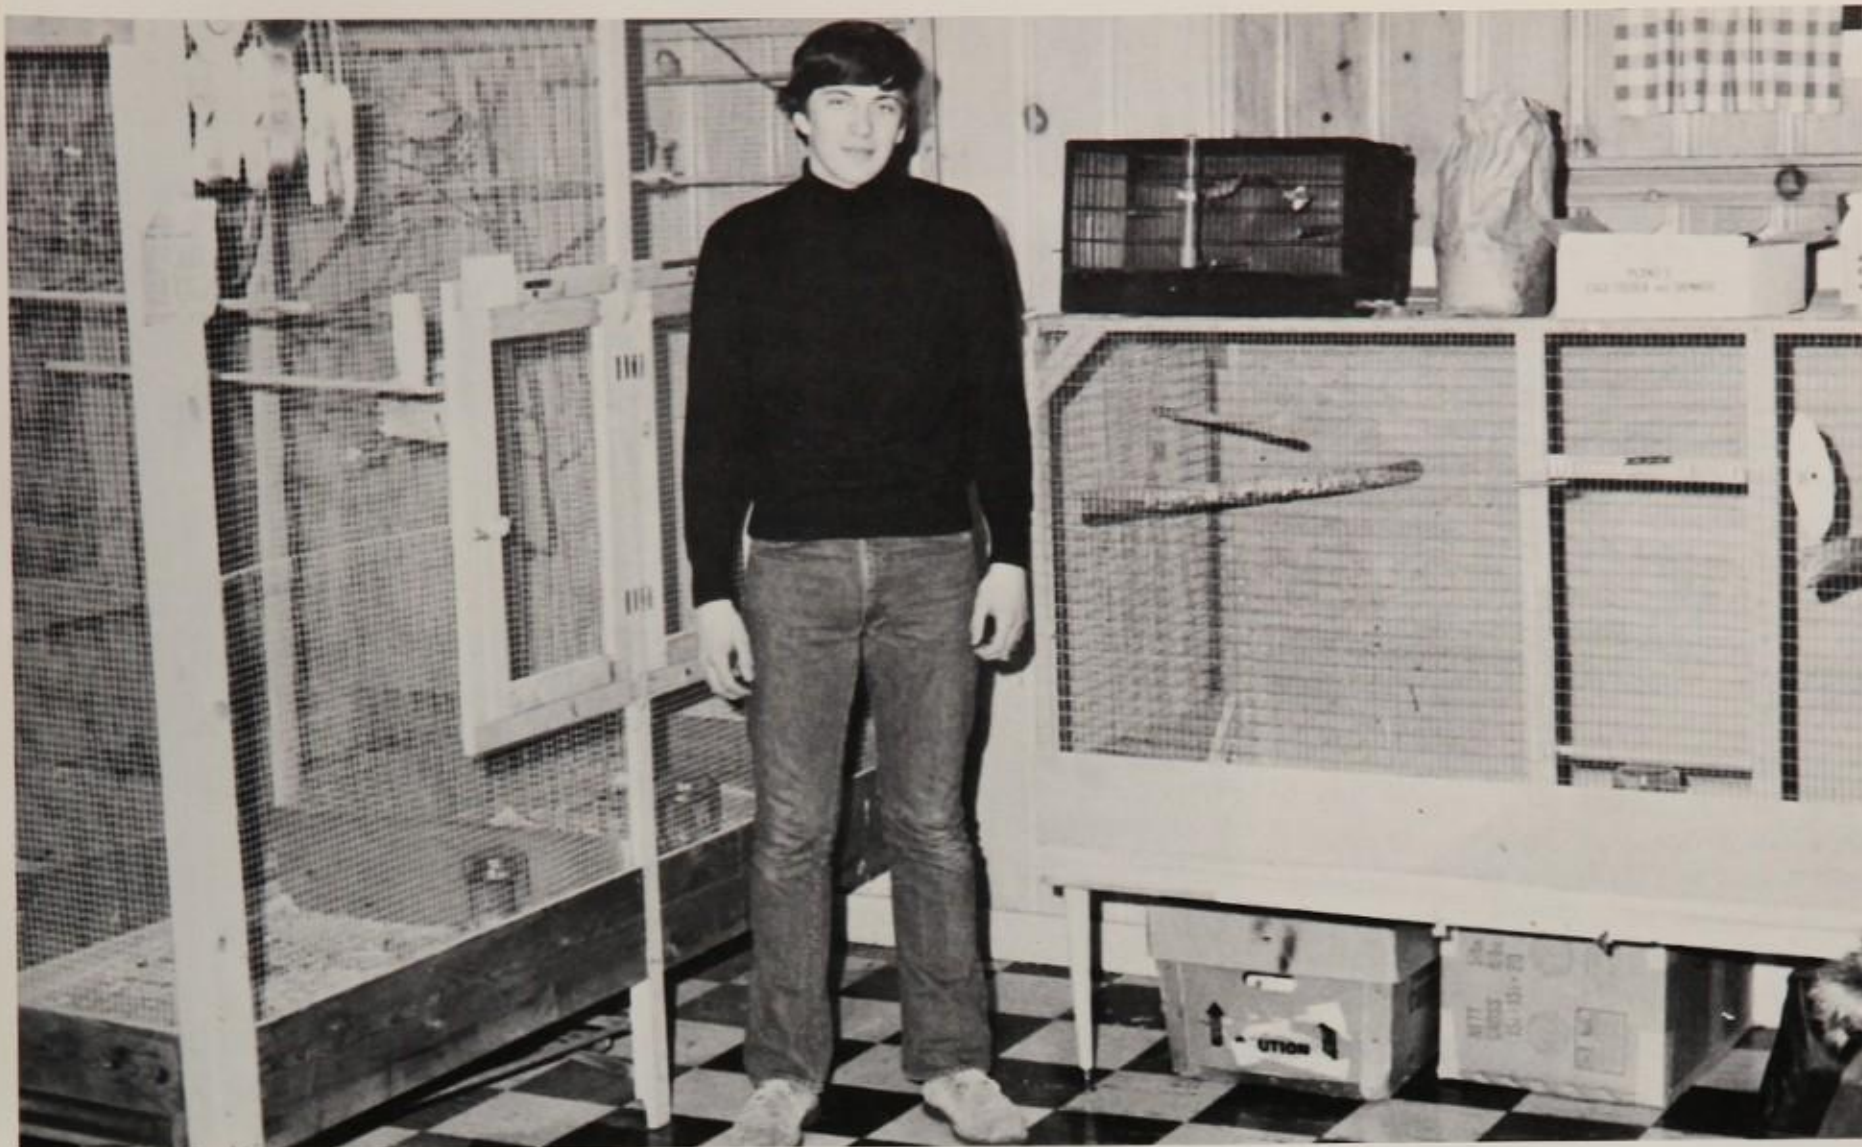

Science courses are housed in D Building.

Students work on an experiment in their Chem Study class. Experiments are frequent in many science courses.

Mike Putnam displays his birds named Shelley Seed eaters. Mike is the only known breeder of these birds in this country.

Patience is a virtue as Andrew Whitt and Bob White soon find out as their patience begins to run low.

# Students plan for future jobs in shop class

Electronics, architectural drafting, and metalworking are just a few of the courses offered at TR to prepare students for future jobs. Electricity and electronics apply to home appliances and radio and television. Drafting trains students for careers in professional architecture and building trades. Workings of engines, chassis and transmissions occupy auto mechanics students.

Industrial crafts and mass production work with plastic, leather and tubular construction. A variety of skills can be acquired in survey of industrial arts which includes auto, metal and mechanical drawing shops in the curriculum.

Philip White shapes wood with a lathe.

Two metalworking students explore the basic principles needed in the process of welding.

Scott Joslyn concentrates on learning to master the tools of a handiman in woodworking.

Carol McGuiness, Frenchy Field, and Rose Piette work on a motor in Home Mechanics for Girls.

Sanding off the rough spots are Joe Mayerchik, Robert Flores, and Charles Biggerstaff.

Swimming is a course that keeps a person physically fit and in shape. Diving are two members of a freshman gym class.

The Dolton Bowl served as a welcome break from the gym.

Along with swimming and bowling, basketball was offered as a boy's P.E. elective.

Shirley Floyd, Debbie Drog, and Janet Ziolkowski enjoy some lay up shots before a game.

## P.E. Dept. keeps 3,200 students fit

To strengthen and build a student's body was the aim of the physical education department this year, not to make the students fit, but to keep them fit throughout the year.

Gym courses that were offered for boys were basketball, fencing, gymnastics, recreational games, swimming, track and field, weight training, and wrestling.

Girls physical education department offered basketball, basic movement, folk and square dancing, gymnastics, recreational games, swimming, and tennis.

An addition to the girls P.E. Department is the change in gym suits from the drab, shapeless suits to the blue and white pin-striped suits. The new suits are a welcome change as these girls show.

## Activities

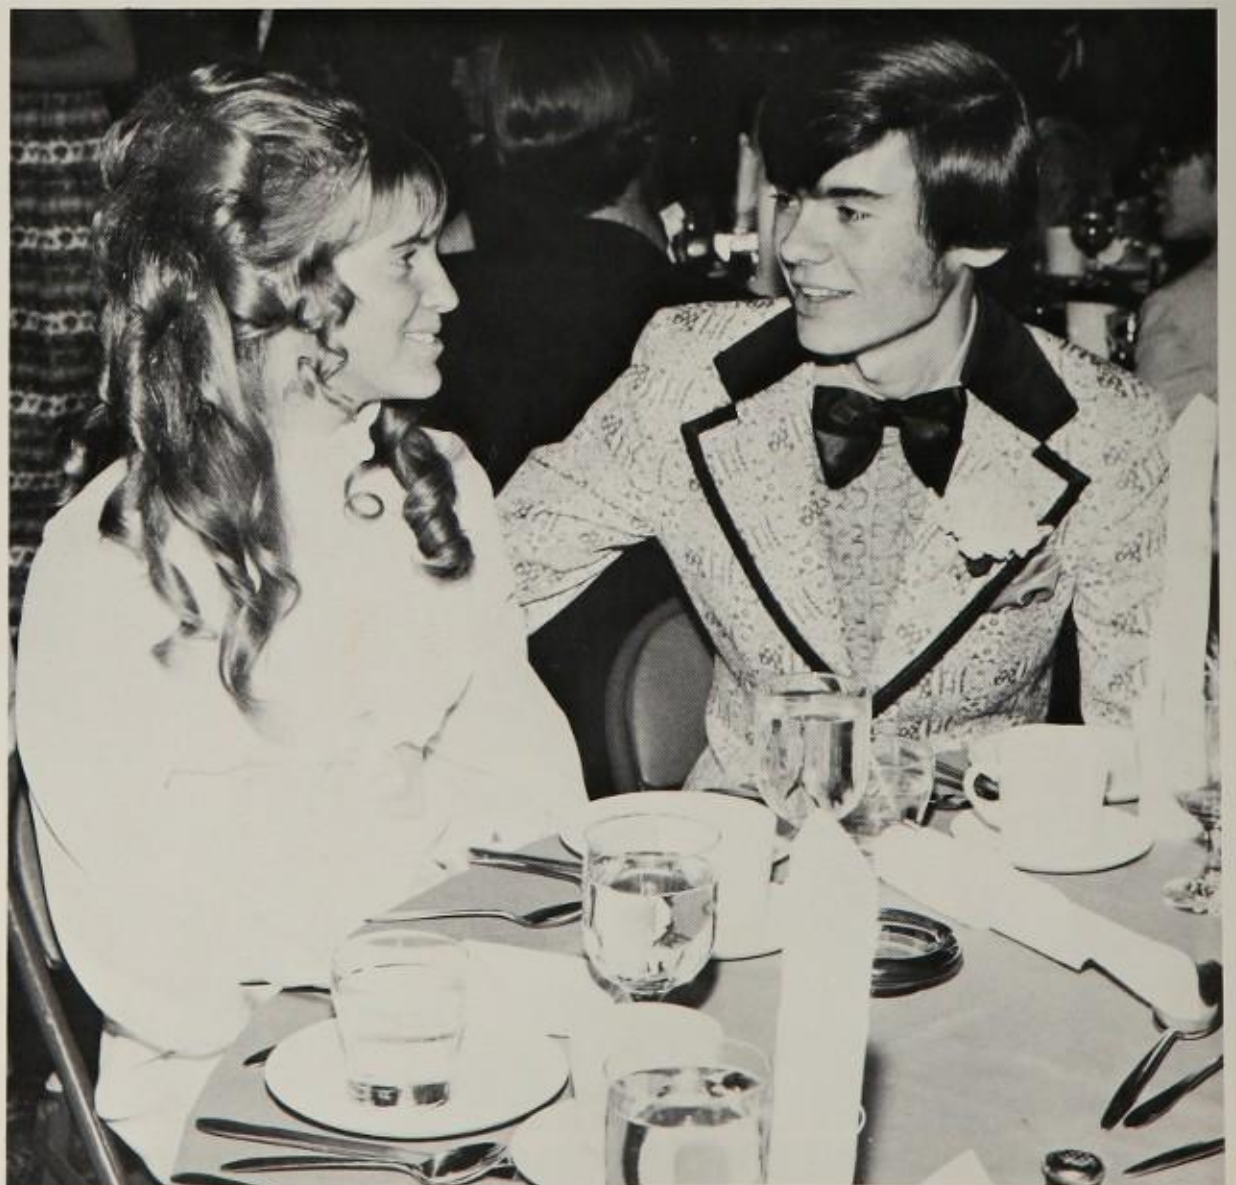

The Myrow Sound provided the music for dancing under the spell of "Colour My World."

The faces of Derrick Turner and Lucille Barr mirror the beauty of the Lexington House.

Judy DeNardo and Dirk Urban enjoy a few moments together before the midnight dinner.

The exciting moment arrives as Jan Bitunjac crowns the proud Prom Queen, Mary Ann Bondi.

## Colours reflect Jr.-Sr. Prom at year's end

The year's end began on May 26, the night of the 1972 Grand Ball. "Colour My World" provided an evening of memories for 347 couples.

The crowning of Mary Ann Bondi as Prom Queen and the singing of Judy Storey highlighted the evening. Tom Mulhall, senior class president, presented the court members: Donna Baker, Jan Bozic, Linda Miller and Leslie Zienty. After dinner the couples left for their own "world of colour."

Paula Harbecke and Randy Jackson pause a moment to chat (in German?) with Mrs. Zimmerman.

Mr. and Mrs. Salato arrive as two chaperones for an evening of unforgettable memories.

## Guest speaker at GC banquet stuns audience

GirlsClub "Dialed 'M' for Mother" at their annual Mother-Daughter Banquet on May 13, 1972. The cafeteria provided the place to eat and the auditorium became the entertainment hall for an evening of fun and surprises.

Humorist Gale Hastings, a "London fashion designer," spoke on "Style and Adventure." The surprise came when she suddenly took off her wig and revealed that "she" was a "he." Marie Gorski, 1971 May Queen, and her Maid of Honor, Jodi Woessner, presented the 1972 May Queen court, and crowned May Queen Debbie Panozzo and Maid of Honor Anita Anderson.

Jodi Woessner, 1971 maid of honor, and Marie Gorski, '71 May Queen, introduce and honor the new 1972-73 maid of honor, Anita Anderson, and May Queen, Debbie Panozzo.

Court members are Peggy Boling, Rochelle Elmore, Marcia Hodges, Jan Crane, Sharon Broze, Sue Ballard, Jodi Woessner, and Anita Anderson.

Other court members are, Debbie Panozzo, Marie Gorski, Sherri Lewandowski, Dawn Kickert, Judy Gulliver, and Kathy Grolla.

Boys sports are portrayed by the GC officers: Jennifer Predl, Terri Toso, Vivian Shimoyama, Patty Gorski, Sherri Lewandowski, Sharon Broze, and Nancy Schultz at the Big-Little Sister Tea.

## Votes tallied: Sisters, dads are Number 1

Big and little sisters shared the first project of Girls Club as the Big-Little Sister Tea gave new students a chance to become acquainted with TR's clubs, proclaiming "Thornridge is No. 1!" The hostess Girls Club officers presented the 1972 May Queen court and exchange student Sibba Hauksdottir. The Thornton Girls Club officers provided entertainment for all the "sisters."

"Dad for President" invited girls to bring their No. 1 guys out for a night of fun and games. Playnite activities ranged from checkers to basketball, and a dance contest and tug-of-war (won by the freshman fathers) capped off the evening.

Daughters challenged Dads to a volleyball game in the main gym.

A few handy fathers show their ingenuity.

## Theatre Guild runs 'Barefoot' for fall play

Thornridge Theatre Guild presented "Barefoot in the Park," a Neil Simon comedy, on Nov. 16-18.

The three-act play, directed by Mr. J. Hardin and student director Sheila Farkos, included a cast of six: Jay Benson, Ted Levrich, John Mahoney, Matt Piescinski, Diane Pociask, and Paddy Wilson.

The story concerned a newlywed couple trying to make it on their own. Paul Bratter, an up-and-coming lawyer, found it difficult to keep up with his wife Corie's energy and joie-de-vivre. Their shabby apartment up five flights of stairs with a hole in the skylight and a nosy upstairs neighbor, Mr. Velasco, kept things interesting. After a few trials and tribulations everything was fine (after Corie rescued Paul from the skylight, that is!).

Mr. Velasco (Ted Levrich) in a cast chats with Mrs. Banks (Diane Pociask) clad in his kimono.

Matt Piescinski, Ted Levrich, Diane Pociask, and Paddy Wilson have a taste of knichi.

Paul and Corie quarrel over a stuffed shirt.

Matt Piescinski and Paddy Wilson aid Diane Pociask as she sinks into a chair after the exasperating climb up five flights of stairs.

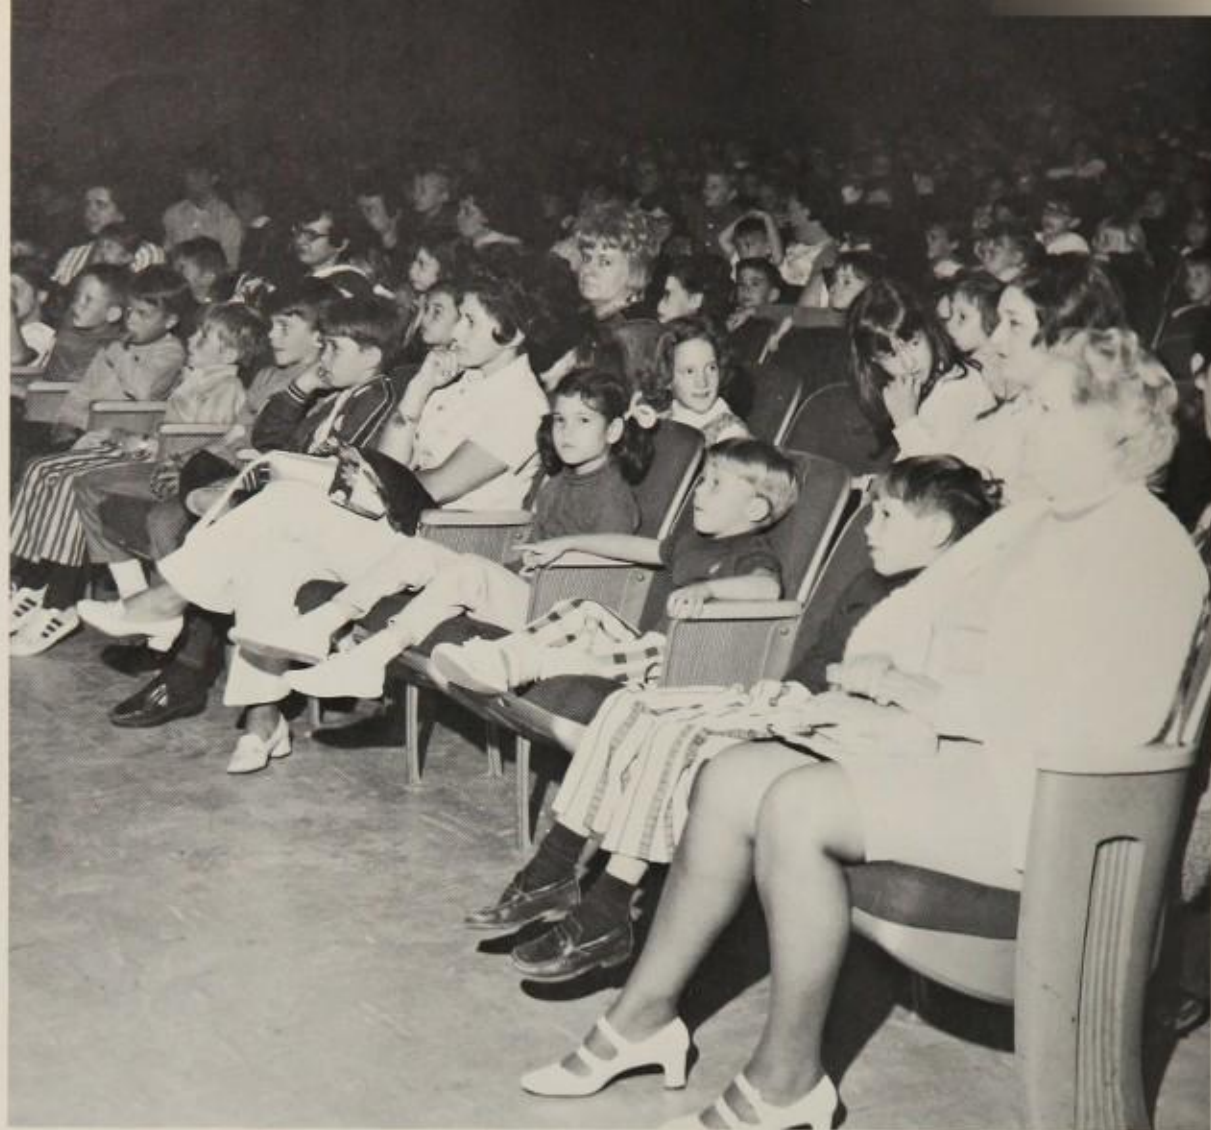

All participants of the production staff give a final salute to their fall production of "Barefoot in the Park."

## 'Hardingbush' thrills children with fantasy

"Richard Hardingbush or the Rococo Coco Bean" was the special children's play presented by the fourth period theatre arts class. On Saturday, Apr. 29 at 10 a.m. and 2 p.m., it was a lively production.

The setting was the Royal Gardens of the 18th century Kingdom of Twitchenberg. Mark Schaefer played the diabolical Inigo Snurl, and Jan Nawrocki played King Trembly. The children seemed fascinated by this make-believe world.

Teachers, moms, and children crowd auditorium to watch the play.

The scene is the garden of the Royal Palace.

The sovereign of Twitchenberg, Jan Nawrocki, rules as King Trembly.

## Shakespeare resurrected in '12th Night'

On Apr. 20, 21, 22 Shakespeare was resurrected and living at Thornridge as the Theatre Guild presented "Twelfth Night" as their spring production. Shakespeare offers a unique experience to the performers and to the audience. Mr. Hardin, director, along with student director Kathy O'Neill, put this work of art together on stage. Rich Bannon and Joanne Morgan were the twins, Sebastian and Viola. The twins, separated by a shipwreck, were plagued with comical mistaken identities.

Performers in "Twelfth Night" relive Shakespeare's comedy play.

Expressions on the faces of Rita Murphy, Mark Schaefer and Judy Kish awe the audience.

Cast members rehearse for "Twelfth Night."

# Choirs share joy of Christmas

"Truly This Is The Son Of God." The auditorium echoed with the strains of this message on Dec. 10 as the six choirs of the Music Department presented their annual Christmas Concert at 2 and 8 p.m.

The concert included Freshman Choir and Freshman Girls Choir, directed by Miss K. Kennicutt, a new faculty member who also directed Girls Glee Club. Mr. R. Anoe directed Girls Chorus and Mr. L. Runestad led Chorale and Sophomore Choir. The Madrigals caroled before the program and the procession of choirs followed to open the concert.

Sandy Sutherland adds organ accompaniment.

Busy Madrigals, who had about 20 performances this Christmas season, used other talents to decorate the A-building breezeway windows.

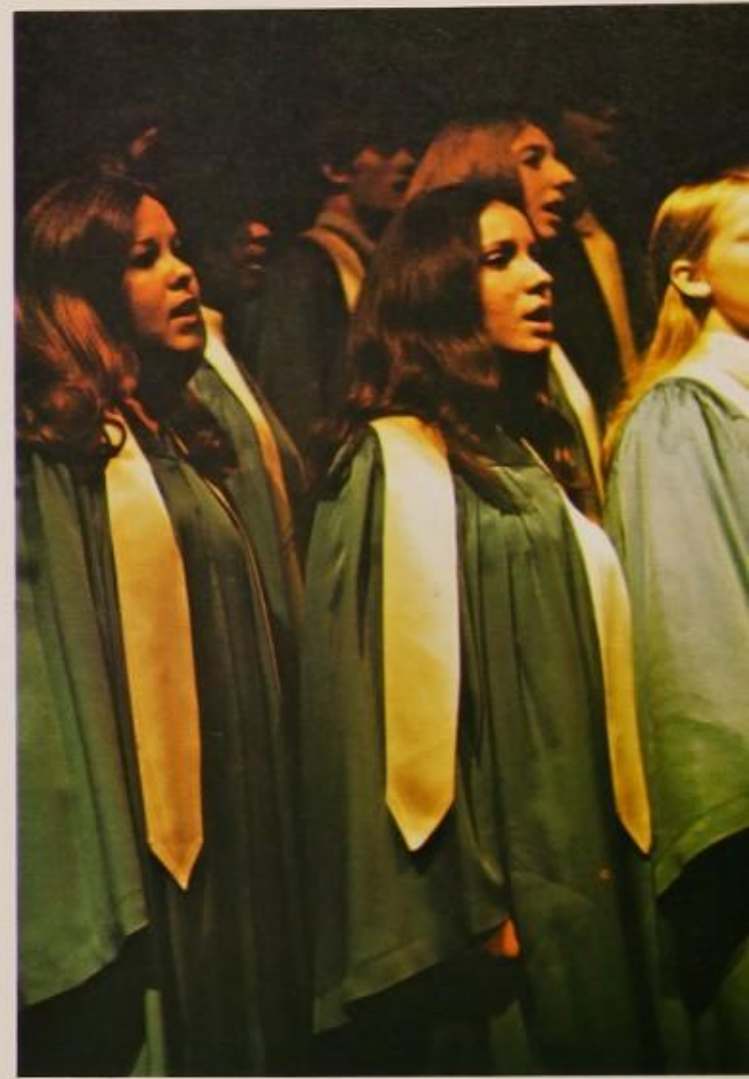

Art director Mrs. J. Nemitz used colorful slide transparencies to portray the theme of the concert, "Truly This Is The Son Of God."

Chorale sings out their message with a combination of the old and new sounds of Christmas.

Sophomore Choir shares the season's joy.

All six choirs surround the auditorium and sing "O Come All Ye Faithful" led by Mr. Runestad.

Glee Club's treble harmony floats in song.

## BB Flings vanish; 3-hour Flings instead

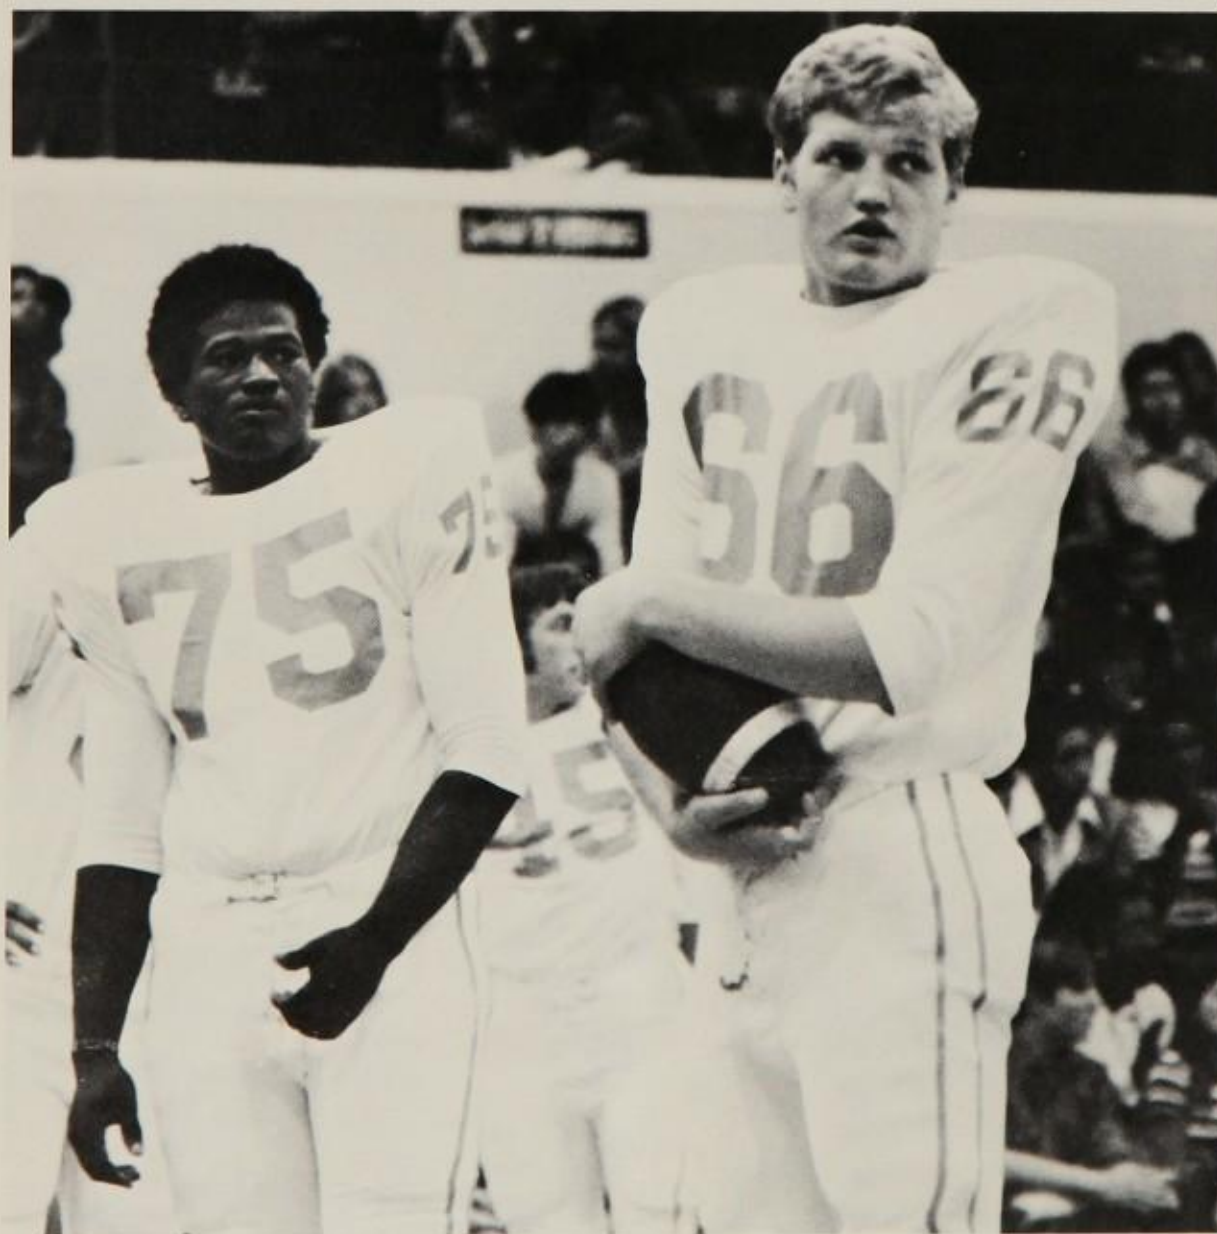

Traditional Flings came close to extinction in 1972 when Highlanders decided to cancel all Flings after basketball games.

The football season included three Flings; one Fling followed a gymnastics meet and six three-hour dances replaced the basketball Flings.

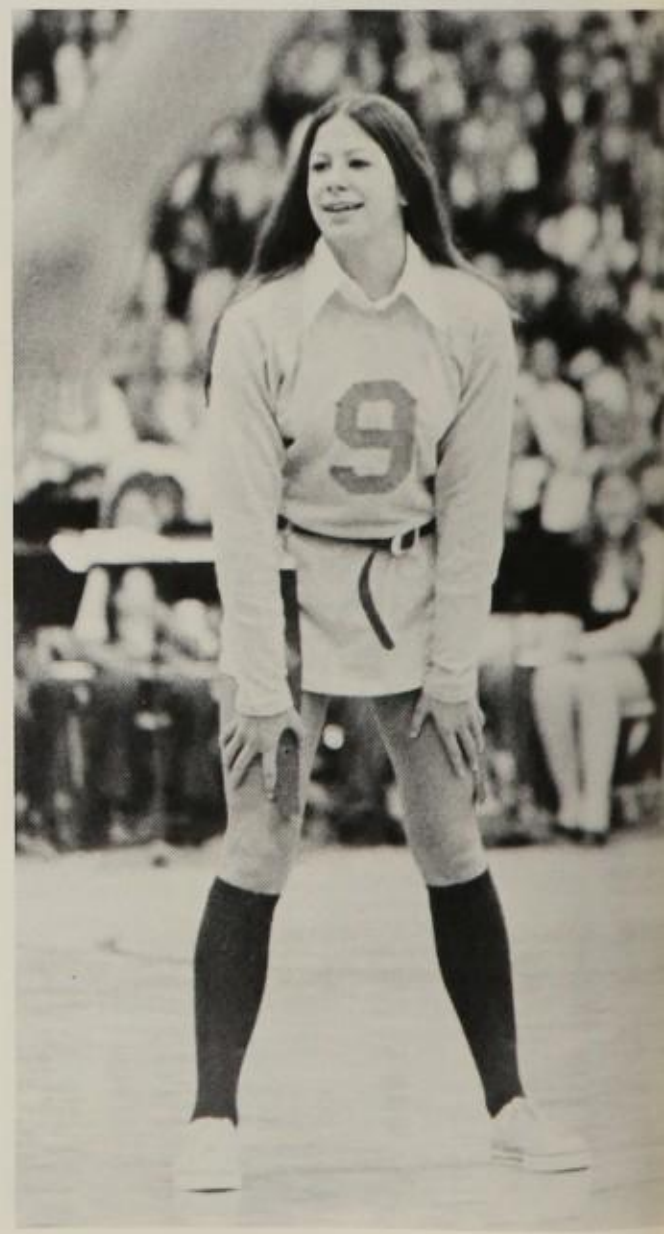

Pep assemblies "fired up" the student body and gave everyone a chance to show a little spirit. Lassies, Pom-Pons and band performed, often with new and different routines. Cheerleaders jumped and yelled to show the teams that "nobody messes with the Falcon Machine!"

Sandy Wolff and many other students enjoy going to a Fling after a home football game.

At the first pep assembly, Coach Lunak introduced Dale VanSomeran and Don Myers.

Rita Gron plays on the Falcon Fem Team.

In the pool, members of the Synchronized Swim Team show their skills to the audience.

## SCOT Day adds interest and information

SCOT sponsored their own day on Nov. 22, during periods 2 and 3. Many speakers filled the rooms, such as: Air Force, Army and Navy Recruiters, and representatives from the American Cancer Society, Art Institute, Dolton Police Dept., Illinois Employment Agency, National Organization of Women, and Planned Parenthood. Students heard talks on such pertinent topics as birth control and how to get along with parents.

School organizations participated in SCOT Day with discussions and demonstrations on a variety of subjects: gymnastics, synchronized swim, karate, student rights, and a host of others.

In the main gym, teachers and students watch as two instructors demonstrate karate.

# Couples find their way to Journey's End

Plodding through ankle-deep mud became an unexpected way "around the world" when Highlanders launched the 12th annual Homecoming weekend "Around the World in Eighty Ways" on October 27-28.

Saturday night's dance "Journey's End" dried out the somewhat "dampened" spirits from the night before. Mistress and Master of Ceremonies Linda Baranowski and Mike Rizzuto announced the 1972 Homecoming King and Queen, Tom Calabrese and Vickey Roberts, who led the court in the coronation dance.

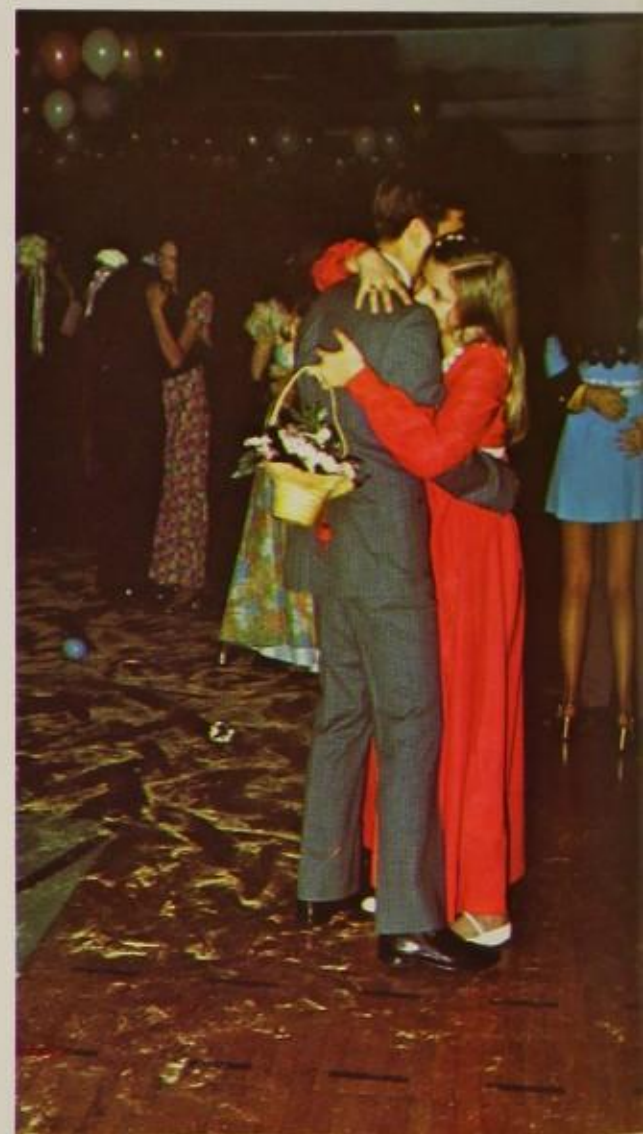

The duet of John Druse and Scott Munro, TR graduates, entertained during the evening. Refreshments were served in the lobby before an evening dinner at each couple's favorite restaurant.

## Spring comes on wings of 'Mariposa'

"Under the sun-drenched day hinting at tulips, ladybugs, and mushrooms.

The Butterfly of Love came to us emerging from a fragile august cocoon..."

Kim Rusnock's poem, "Mariposa," set the mood for the 1972 Girls Club dance. The gym became a springtime wonderland of butterflies and flowers as "Mariposa" (butterfly in Spanish) took form. The girls got their chance to ask the guys to the annual turnabout dance on Mar. 11.

Senior Rich Gilbert reigned as king along with senior court member Paul Youngstrom, junior Ernie Dunn, sophomore Mike Gilbert and freshman Gary Christian.

Debbie Barnes and date pause to enjoy punch and the atmosphere of "Mariposa."

Ava Suggs and Tony Porter pass through the trellis in anticipation of the evening to come.

Couples danced to the music of the Merwin Stillerman band in the transformed gymnasium.

## Future, former students guided by 'specials'

Thornridge students got a head start on their future on College Night, Oct. 4; 85 colleges from eight states sent representatives to Thornwood to talk to juniors and seniors and answer their questions. Each student could attend three half-hour sessions to find out about the colleges that interested him most.

Parents followed in the footsteps of their children for a change during P&TA night on Oct. 2. After a meeting in the auditorium, the "students" adjourned to their 12-minute classes, got a taste of the new schedule and even ate "lunch."

## 32 Pom Pons work, entertain, create together

Being a Pom Pon can be hard work, but it has its rewards. Sponsor Mrs. S. Fette and a faculty group judged at the spring tryouts and chose 32 girls to receive pompons and don the blue skirts and "TPP" sweaters that showed their achievement.

The 1972-73 squad practiced every day during eighth period and on weekends, in the evenings and during the summer. The girls made new skirts for the basketball season and the seniors planned a solo routine for their last performance.

Capt. Sharon Broze said, "It's really great that all 32 girls can work and get along together as well as we do. Mrs. Fette is probably the main reason we're so close — she's always willing to help us."

**Pom Pon Officers:** Treas. Connie Koster, Co-Capt. Kathy Lenhardt, Capt. Sharon Broze, Hist. Kim Quilici, Sec. Terri Toso.

## Sophomores take over twirlers' batons

Sophomores Gail Rossi, Nancy Sertich and Debbie Wiltjer found their first year as TR Twirlers quite a challenge, but their many performances proved that they overcame any early problems they may have had.

Guided by their sponsor, Mrs. C. Goldie, the girls practiced long hours after school and in their free time to improve their skills and perfect their routines. They performed in local parades and during half time at basketball and football games, accompanied by the band. They also traveled to Walt Disney World with the band on its spring tour.

## Lassies dance for Bulls game at Chi. Stadium

The Thornridge Lassies are a very active group both inside and outside of school. They performed at many home football and basketball games and assemblies. The highlight of this year was their performance at the half time of the Chicago Bulls' game at the Stadium. Captain Marlene Gowan and Co-Captain Joanne Kissane kept the girls "on their toes" with community parades, grade school and junior high school performances, and a performance for the Great Lakes Naval Hospital. And of course who could forget that fantastic Laddie performance? (About 50 guys might like to!)

**Officers: Front Row:** Co-Captain, Joanne Kissane; Captain, Marlene Gowan; Sec.-Treas.; **Row 2:** Co-Captain — pipers, Andy Stockdall; Co-Captain — drummers, Sherri Lewandowski; Co-Captain — drummers, Linda Vankat; Co-Captain — pipers, Jennifer Predl.

## Band marches here and in Disney World

The band marched over a lot of territory this year from the TR football field to Main Street in Disney World. To do that, they put in many practice hours to make each performance a success.

Fund raising projects consisted of a Tag day, a candy sale and a spaghetti dinner which helped finance the trip.

Through their determination and hard work, the fall concert "Bold and Brassy" was a success, and "Saturday in the Park," on Sunday, Feb. 18, was completely produced and directed by the students.

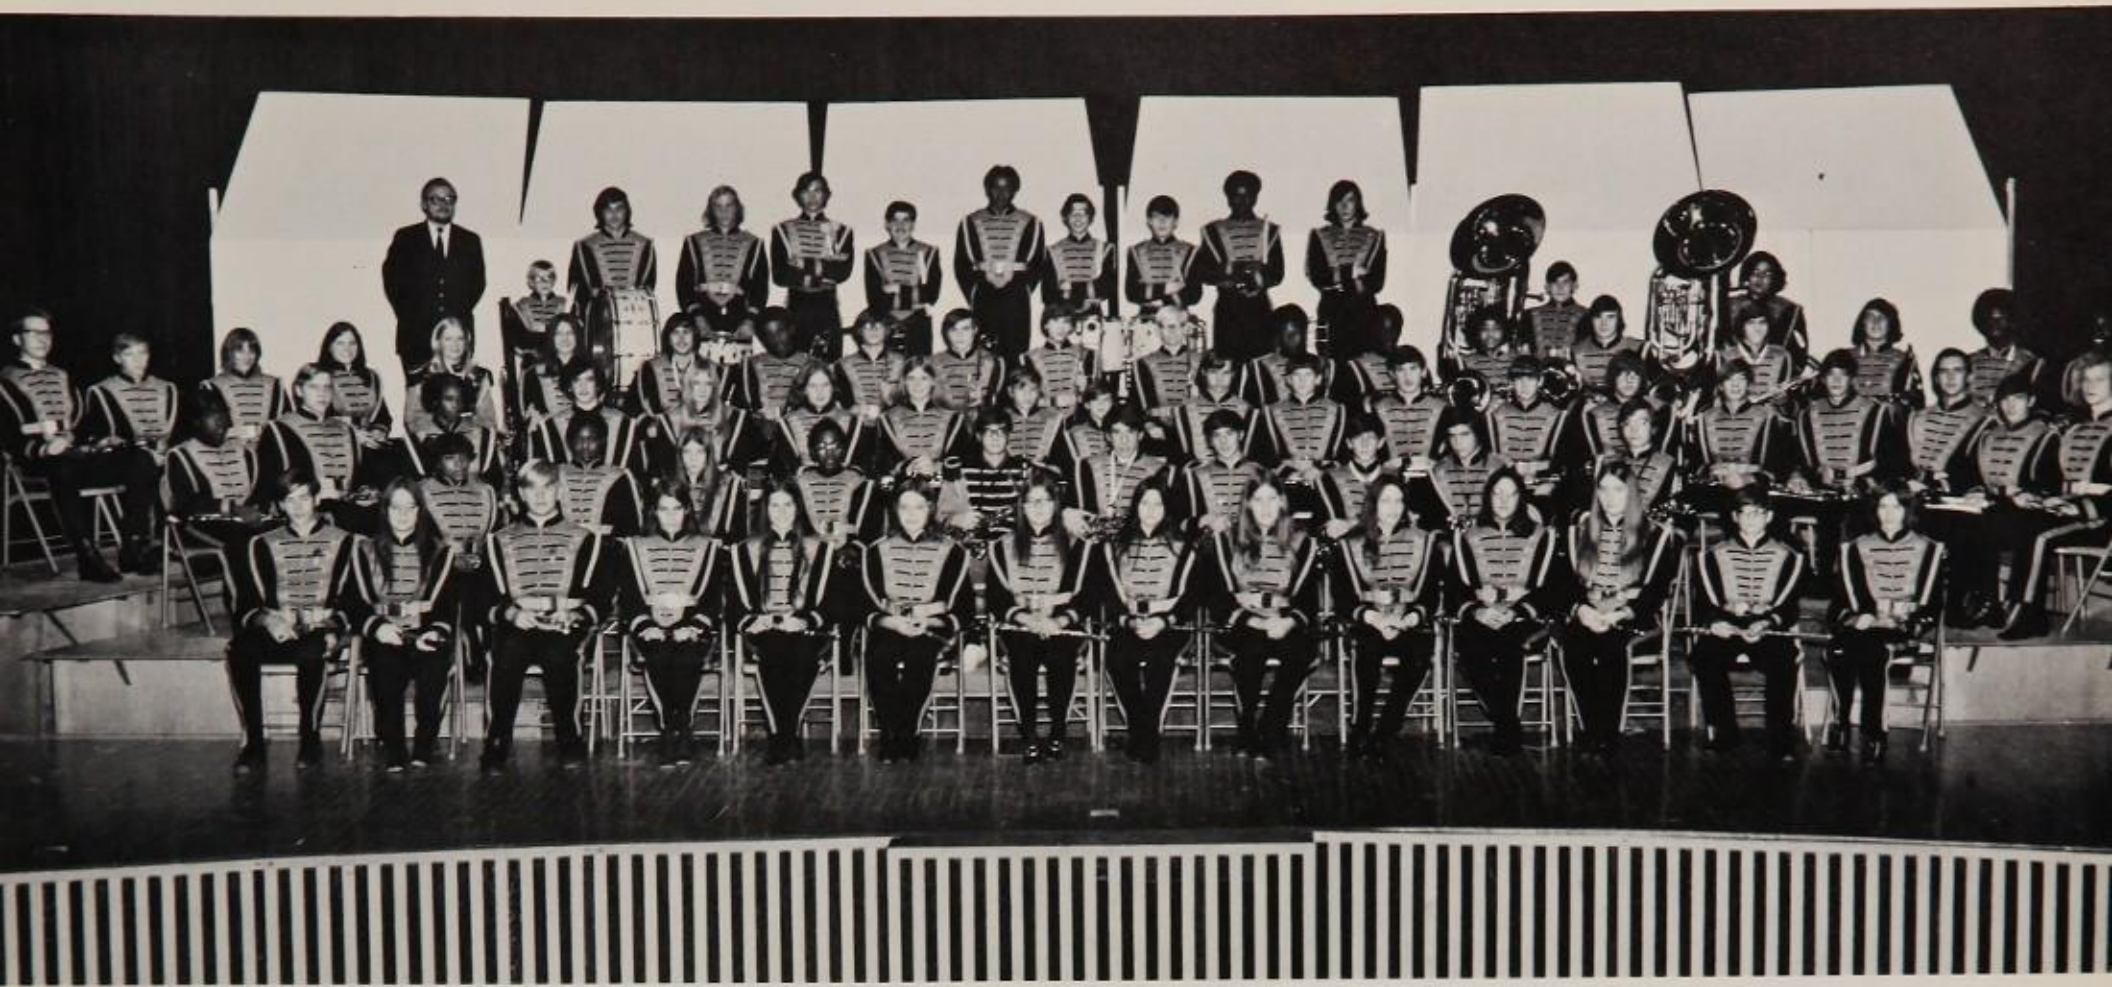

Junior Varsity Band practices daily to perfect their style and add a special flair to songs.

# New Madrigals' fate determined by 'Morning'

On the evening of September 7 one could hear the strains of the song "Early One Morning" as many Chorale members tried out for Madrigals. Mr. Runestad faced the difficult decision of choosing 13 new members with only 4 returning Madrigals.

Practicing 4th period and at each other's homes, members put in many extra hours into learning 40 additional songs besides the ones for Chorale. Christmas songs brightened the children's wards of St. Margaret's Hospital, and the Madrigals also made the children of New Hope School happier. The girls made their own dresses and capes for concerts to complete the special "Madrigal look."

The Madrigals performed in many surrounding area churches besides the annual Christmas concert.

At a swim meet a group of timers clock the swimmers and compare accuracy.

## Guard, Timers give lessons, help at meets

"This water's too cold." "When is it time for free swim?" were the familiar cries of the children who take Saturday swimming lessons from the Thornridge Guard.

In order to qualify for Guard, students need to pass a course in junior lifesaving and a course in teaching swimming.

The 1972-73 Timers opened their membership for the first time to all interested girls instead of only guard members. Establishing the winning time by a fraction of a second and accurately timing the other contestants are the group's main duties. They time home swim meets and provide support for the Flying Fish.

# S.O.P. rejects establishment, acts as 'gadfly'

S.O.P. stands for Society of Philosophy. They are students who try to instigate changes in areas where they feel there are injustices.

"We are the gadfly of the republic," said sponsor Mr. L. Thomsen. "S.O.P. is an open forum for investigation of ideas in today's complex and ever-changing society."

Their main project this year was the protest of the Board's banning of the multi-ethnic literature text, "Speaking for Ourselves." The Board of Education later reinstated the book.

S.O.P. begs students to reach from the depths of despair and rise above the silent majority.

## '73 Pep Club sells spirit; AST probes

The 1973 Pep Club, besides cheering and promoting spirit at Thornridge athletic events, also provided transportation to the away games for loyal fans. Members sold buttons, miniature basketballs and footballs. At mid-year they also purchased blue and white "Pep Club" shirts.

AST, the Astronomical Society of Thornridge, guided by Mr. C. Johnson, probed the elusive mysteries of deep space. Besides watching films and having discussions, the members took telescopes into the courtyard to study the constellations.

# Letter winners aid sports playing or not

Ever wonder who made the winning touchdown, broke a state record in swimming or grabbed the rebound? Chances are it was a letterman. Throughout the year TR's letterwinners played a vital part in the sports seasons. Hours of grueling practice, training, and determination are just a few of the prerequisites needed to win a valuable letter. Every athlete that wins a letter is automatically a member.

Besides participating in sports, members ushered at all home basketball games and sold Donkey Basketball tickets in the spring to raise money for the Athletic Department.

## Math, PST interest groups meet needs

The '73 Math Club tried to broaden the outlook on an often-disliked subject — math. The group displayed topics that could be covered both within and outside of math classes. The club, with adviser Mr. Silagyi, met every other Wednesday during eighth period and sponsored a tutoring service.

The Photographic Society of Thornridge or P.S.T. acquainted members with techniques of cameras and attempted to increase enthusiasm about photography.

The club of ten members had three money-making projects this year. They took pictures for Homecoming, Girls Club Dance and Prom. They purchased two cameras valued at \$400 each and sponsored a Photo Contest.

# Quill & Scroll, NHS honor top students

From the ranks of the student publications — Piper, Bagpipe, and Talisman — outstanding students are chosen for membership in Quill and Scroll, an honorary journalistic society. Students must be in the upper third of their class to qualify.

Leadership, character, service and grades are all rated by faculty members in electing a student to National Honor Society. Juniors must hold a 3.2 grade average and be in the upper fourth of their class to be nominated. Seniors must have a 3.0 average. Members raised money from their taffy apple sale.

## NFL, Debate represent TR at tournaments

Tenseness and anticipation before a speech and the thrill of beating a tough opponent have been felt by members of National Forensic League. Participation in speech tournaments allowed students to earn the 25 points required for membership. Degrees of honor, excellence, distinction and the almost unattainable double ruby, 500 points, are other NFL awards.

The varsity and novice debate teams, coached by Miss P. Schultz, spent months preparing to debate the year's topic which stated that governmental support for all public elementary and secondary schools in the U.S. should be exclusively provided by the federal government. Varsity debaters Ilene Frisch and Sandy Shipplett qualified for ISTA state competition in Pekin.

# Theatre Guild, Thespians work behind, on stage

Theatre Guild belongs to anyone who wishes to be in a play or to work behind its scenes. To be a member one must take part in two plays. Paddy Wilson led this year's Guild.

Thespians, a national honor organization, promotes theatre arts in all schools. TR's Thespians are an active group with Diane Pociask as president. Being a member means one earned 10 points working on plays in Guild. Theatre Guild and Thespians both help each other to promote school productions.

# Highlanders change Flings, meet challenge

Increased attendance at home basketball games caused problems clearing the gym in time for Flings. This prompted the '73 Highlanders to sponsor five 3-hour dances on non-game nights. The change in schedule gave students more time to enjoy the dances than after a game.

Planning for "Around the World in Eighty Ways," Homecoming weekend, proved a challenge for Highlanders who took charge of publicity, decorations and entertainment.

# Piper staff squeezes year into 224 pages

Squeezing an entire year into 224 pages was a difficult and time consuming task. The '73 Piper started "where the action was" with pictures taken by staff photographers at school events. Photos were then chosen for clarity and content and placed on "dummy" layouts. The tedious procedure of finishing two pages or a "spread" just began, for pictures had to be identified, names checked for spelling, and typing completed. Searching out little known facts and explaining activities was the job of staff members writing "copy."

The '72 Piper, which won an NSPA first class award for the first time in six years provided a challenge for this year's staff to keep up the good work.

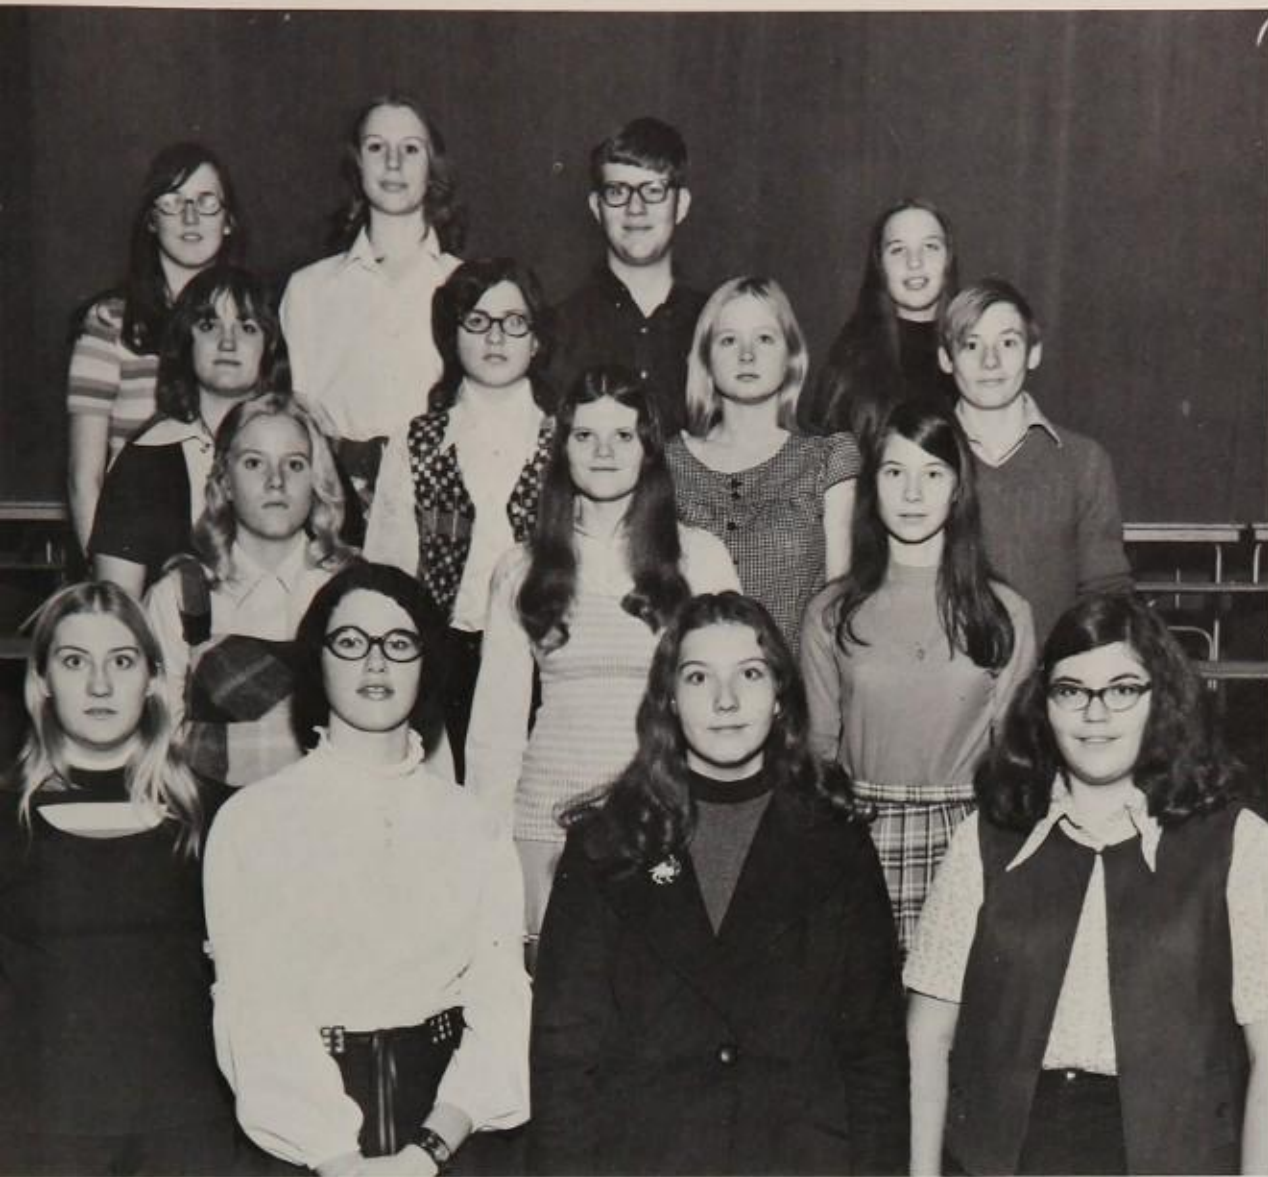

Editor Cheryl Saunders and Assistant Editor Linda Condon proofread copy for a spread.

## FTA tutors; folk friends play and sing

Giving experience and acquainting students with the field of teaching was the purpose of Future Teachers of America. Tutoring grade school students in the area districts and working in the ECHO building as an assistant were a few of the educational opportunities offered.

FTA brightened up the Homecoming weekend by selling balloons and mums. One of the club's biggest projects was "Treasurama," an antique and wares show held in the big gym on April 29.

Friends of Folk sought to promote enthusiasm for folk music and instrument playing. The group met outside of school for evenings of music and learned the fundamentals of guitar, banjo and bongo playing.

## Bagpipe staff brightens up Thursdays

This year, led by editor-in-chief Sid Holt, the Bagpipe helped brighten the late week doldrums on Thursday mornings with its second period delivery. Three changes were made in the paper this year. The first was a new form of page layout known as modular layouts. The editorial page was moved back to page four while the sports page came to page three. The new "Ouch" column raised comment from the student body. More music and rock reviews were included this year. As in previous years, excellence in journalism continued at TR.

Editor-in-chief Sid Holt, page one editor, Joanne Kittoe, sports editor Jerry Yost and business mgr. Carl Rossow are part of the editorial board.

## Talisman completes literary goal

One of the highlights of the school year is the arrival of the magazine Talisman, which contains the literary efforts of Thornridge students. Under the direction of Bob Yurkovich, the Talisman staff correlated all student contributions to the magazine. The student staff was guided to their goal by their new adviser, Mr. C. Chylinski.

# Dolls and dads successful GC projects

Girls Club works hard to make successes of their projects.

The doll show in December captured the spirit of Christmas for children in orphanages and hospitals.

The Dad-Daughter Playnite had a theme associated with the election year 1972 entitled "Dad for President."

Among the other activities of Girls Club were the Turn-about Dance, the Big-Little Sister Tea and the Candy Sale which was at the beginning of the year.

## Boys, artists, 'Knights' find like minds

Key Club members worked diligently this year on the faculty picture board to acquaint students with their teachers. Boys Club sponsored their annual Record Hop and banquet at the end of the year.

Art Club members showed their talent and creativity by making the breakaways for the games and having discussions about current trends in the art movement.

The Fischer-Spassky chess tournament sparked world-wide attention and brought a new enthusiasm to the ancient game. Each Thursday TR had its own version of this chess match, as the "Scottish Knights" jousted with area schools.

## PUBS grow; 'foreign' clubs raise money

PUBS is a newly-organized club for black students, formed to help people in the surrounding communities. Their many fund-raising projects included selling taffy apples at school. The sale of buttons in the shape of a stop sign which read, "Nobody Stops the Thornridge Falcons," car washes and bake sales helped increase the treasury. They sang Christmas carols to children in the hospital and their spring fashion show gave them a chance to donate their money to fight sickle cell anemia.

TR's three language clubs, French, German and Spanish, while enriching their knowledge of the customs in each country, also raised money with car washes, bake sales and the selling of decals. Handicapped children received the money raised by selling posters.

# Outside jobs give credit in DE, OE

Office Education assists students and employers in job placement and experience for those interested in pursuing a business career. Members participate in activities on three levels: local, state and national. Students attend four classes and must have a good record in business courses.

Learning the basics of marketing and trade and gaining skills needed in business are important to Distributive Education students. In addition to working about 15 hours a week and attending three periods at TR, some students join in area, state and regional conferences and field trips.

## Cheerleaders inspire fans, boost teams

Cheering for all the teams this year, the cheerleaders inspired the fans with their spirit. Under the leadership of their new sponsor, Miss Krishheimer, a substitute physical education teacher here at Thornridge, the girls worked throughout the summer and school year on their new arrangements.

The girls performed various skits throughout the year at pep assemblies.

## First playoffs drop Falcons to 3rd in SSL

Led by co-captains Ted Paarlberg and William Carraway, the 1972 Falcons produced a 5-4 record for the year. The Falcons were co-leaders in the South Suburban League with Thornwood and Richards going into the SSL playoffs. They had the most points scored along with the stingiest defense in the SSL.

The league playoffs proved to be the downfall of the Falcons. The team was defeated by Eisenhower in the first playoff game. For second place the Falcons were defeated by Richards 7-6.

In post season activities Bill Carraway was picked the Most Valuable Player on the Falcon squad.

## Frosh set record; sophs less successful

The season ended happily for the freshmen. They concluded a perfect season with an A-team record of 7-0. Averaging 338 yards per game, the frosh totaled 84 points for the season, a new frosh record. The B-team also did well, ending with a 5-2 record. Coaches Sam Tortorici, Walter Shatkowski, and Dave Baron did fine work for the team.

The competition stiffened in the SSL as the Soph team gained a 4-5-0 record this season. Overpowered by Joliet West, Richards, and sister schools Thornwood and Thornton, the sophomores managed 4 respectable wins over Rich South, Eisenhower and Bloom.

All the players did much to prevent a much worse season for their team.

Much of the credit for the team's excellent effort goes to coaches Don Bush, Dave Kienlen, and Len Sparber and managers Steve Prezekwas and Jerry Caldwell.

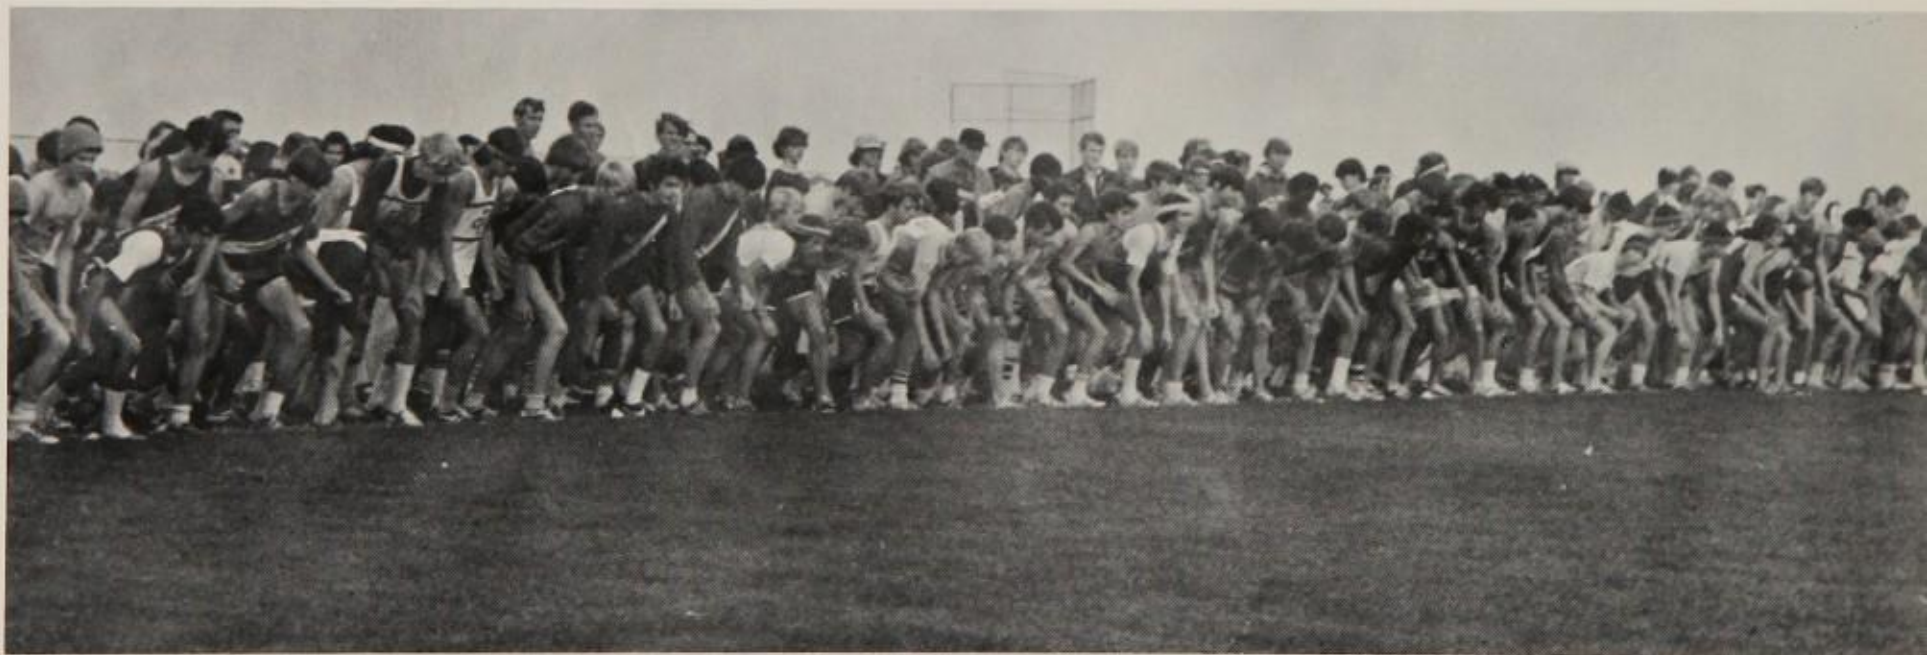

Practice makes perfect.

Running with only two senior members, the cross country team faired better than expected. Led by captain Greg Galen with a new school record, the team finished with 4 wins and 6 losses in dual meet competition. Backing up Greg was Sophomore Bruce Hall who set a new school record for sophs. In the SSL the varsity took third place as did the Frosh-Soph team. This team finished with a 5 win and 4 loss record.

# Gymnasts rebuild, have winning season

Thornridge varsity gymnastics crowned a 6-5 season with a second place showing at the conference meet. Despite this being a rebuilding year for the Flyers, they placed 3rd in District behind the powerhouses of Thornwood and Reavis.

Bill Unhock, the team's captain, was the team's most valuable player. He scored a season high of 8.1 in the meet against Lincolnway High School.

## Frosh Nisivaco sets record in tumbling

The sophomore gymnastics team completed a fine year, compiling a record of 10 wins and 2 losses. The team earned a 2nd in conference competition. Fine performances were handed in by Phil Messerschmidt, who went undefeated on the high bar. Freshman Rich Nisivaco set a new record in tumbling. Mike Nylén also aided the cause with fine side horse performances.

The freshman team finished with a 2 and 1 record and a second in the Rich Invitational.

# Frosh capture SSL; varsity 3rd; sophs 2nd

Thornridge varsity swimmers finished a disappointing 2-7 season with a 3rd place finish in the SSL. The two victories resulted from meets against Evergreen Park and Bloom, while the losses came at the hands of Hinsdale Central, Homewood Flossmoor, Carl Sandburg, Tinley Park, Thornwood, and Proviso West.

The sophomore team finished a 4-5 season with a 2nd place finish in the SSL. They were victorious over Tinley Park, Proviso West, Bloom, and Thornton.

The freshman team had a great 6-1 season with a first place finish in the SSL. Their only loss came at the hands of Proviso West.

## Varsity team wrestle to 2nd in District

Although disappointed by a 2-12 season, Thornridge Wrestling had several individual bright spots. The team came in fourth in the SSL. The greatest moment of the season occurred when Thornridge took second place in the District meet.

Many team members earned individual honors. In the SSL tournament, Roger Lane, Terry Williams, Jim Johnson, and Pat Mulvenna earned seconds. The District meet saw Lane and Charles Proffitt earning firsts and Johnson and Brian Olofsson seconds.

Jim Johnson works to gain a reversal.

## Frosh, Sophs record fine season

The sophomore and the freshman wrestling teams did quite well this season. The sophomores completed a 12-2 season, placing second in the SSL and 3rd in the Rich Central tournament.

The freshman team ended the year with a 4-8 record, but a third in the Bloom tournament and 7th in the Tinley Park Tournament put a fine finish on the season.

Roger Lane starred in 98-lb. class.

## Winnings stop at 58; Falcons finish 18-10

The Thornridge Falcons, having one of the toughest schedules in the state, turned in an 18-10 record and a second in the South Suburban League. With four seniors and a junior in the starting line up, the Falcons started off the year by winning the Rockford-Guilford tournament, extending their state record winning streak to 57. The Falcons extended their winning streak further by defeating Danville 92-44 in their first home game of the season. A loss to Waukegan by a score of 58-49, ended the winning streak at 58.

In the South Suburban League the Falcons finished a close second to Bloom. Thornridge's only SSL losses came from Thornwood, Bloom and Eisenhower. Their final record in the SSL was 7-3.

In the regional the Falcons came out victorious by defeating T.F. South and St. Francis DeSales. In the sectional the Falcons lost a hard fought game against Bloom, 79-65, which brought an end to a successful season.

## Frosh cagers complete perfect season

Amassing a point total of 1,157, the Thornridge freshman basketball team finished with an undefeated 18-0 season. Their rivals, which included Bloom, Richards, and Thornwood, were able to gain only 611 total points against the strong Thornridge defense.

Many individuals made noteworthy contributions. The high scorer for the Falcons was Derrick Jackson with a total of 237 points, which averages out to 13.2 points a game. Pat McCanna led the team in free throws made with 53. The highest free throw percentage was accomplished by Bill Cunningham with 72 per cent.

## Sophomore cagers take SSL crown

This year the sophomore basketball team carried on their traditional winning ways. They captured the South Suburban League title with a perfect 10-0 record.

Substantially aiding the team effort were Wade Allison and Ron Pigram. When Ron Nemeth was moved to the varsity squad, Dave Pfister had to replace him.

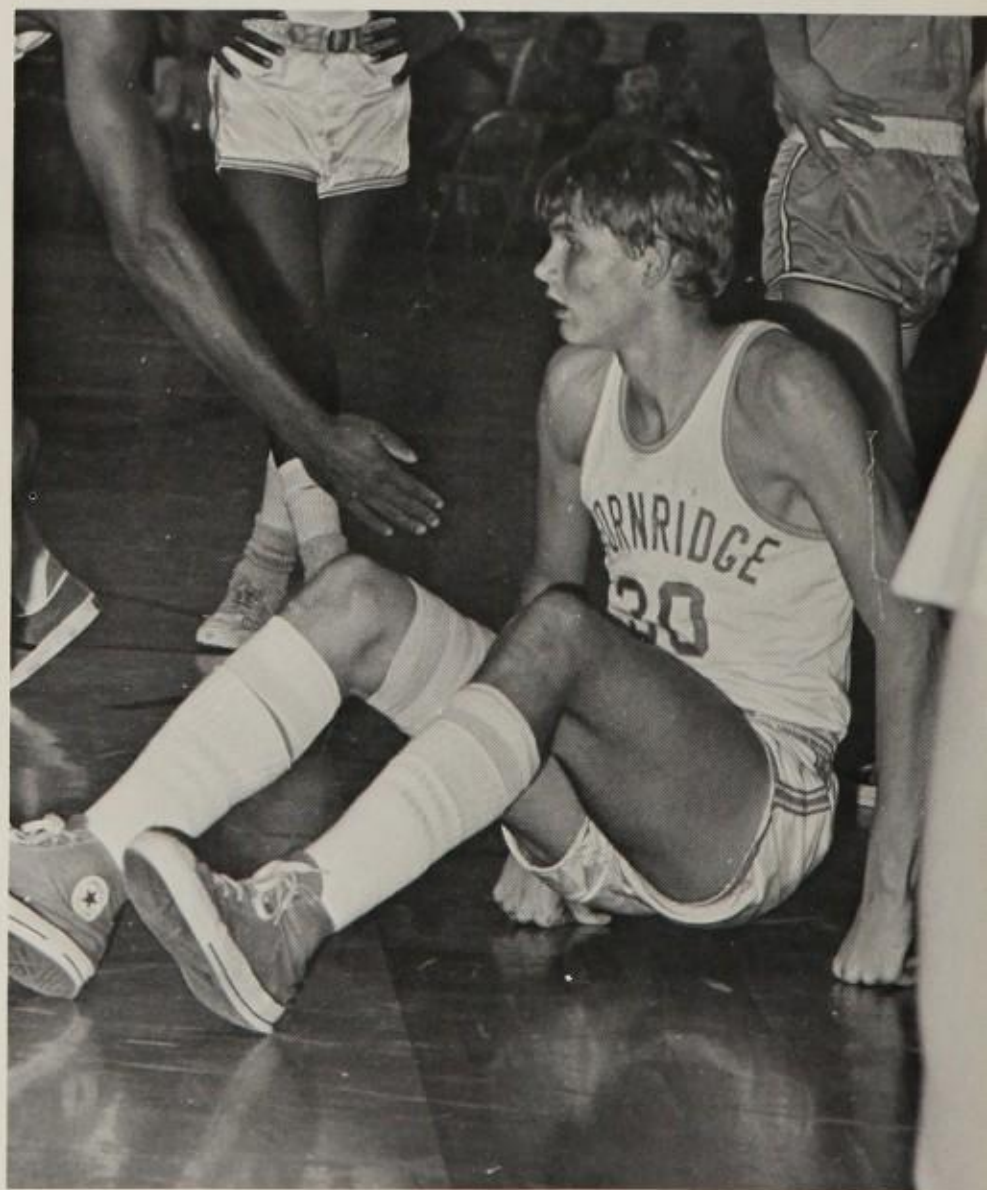

The team finished fourth in the Bradley tournament out of sixteen teams. Their final season record was 16-6. Coached by Mr. Bill Hardlanert the sophomores turned in a good season.

# Girls' tennis battles to 4-4 season

An unrecognized yet important part of the Thornridge sports scene is the Girls Tennis team. Capably led by Coach Margo Patinos, the feminine team battled their way to a 4-4 season. In an 8-match, 6-school series, the girls downed Bloom, Thornton, Richards, and Eisenhower, while losing only two matches each to powerhouses Homewood-Flossmoor and Tinley Park.

The number one player, Simone Byvoets, was helped considerably by seniors Sue Morehouse, Diane Pociask, and Melissa Landowski.

The highlight of the season was the Tinley Park Invitational Tournament. The girls did well, placing second in the singles division and third in the doubles division.

## Girl swimmers splash, stroke to 4-3 season

TR's female version of the Flying Fish swam to a 4-3 season led by Mrs. Lynn Jones and Mrs. Betty Bergstrom. Competing on the extramural level, the girls swam in such divisions as freestyle, butterfly, breaststroke, backstroke, freestyle relay and diving.

Dunking such rivals as Bloom, Thornton and Argo took determination and many hours of practice. The team practiced and worked together four days a week after school. The hard work paid off for Idalee Hines who competed in the freestyle, Denise Dwyer in the butterfly and Sue Brink in diving competition. They all placed first against Bloom.

Liz Hall illustrates the precision needed for an expert dive.

## New bowlers, girls track challenge odds

This year the girls' track team, led by Miss J. Wahl, attempted to overcome almost insurmountable odds. The team competed against Stagg, with a team of 33, and lost by only one point. Some outstanding performances were recorded by Kim Bowen, who threw a softball 179 feet 11 inches, and Lynn Brennan and Lee Ann Petersen who went undefeated.

The newly-formed Thornridge Bowling team met every week at the Dolton Bowl. Led by Mr. M. Bortel, the group mixed recreation with practice in an attempt to improve their scores.

## Girls tackle basketball, badminton

The '72-73 season marked a learning and building year for TR's first girls' basketball team, which until this year was prohibited by IHSA rules. Dribbling, passing, defensive and new offensive plays were just a few of the necessary skills that had to be taught from the bottom up. The team competed in four sports days consisting of two games each.

Possibly the most challenging season of all was faced by the girls' badminton team with a 10-meet season. Each meet consisted of 15 matches. The team had a grueling practice schedule meeting five days a week after school with one to three hours of workouts, learning to develop strategy and endurance.

# Klawitter leads 3 track teams to victories

Led by captain Jeff Klawitter, state champ in pole vault, the 1972 varsity track team finished ahead of 393 of the 411 teams they competed against. The sophomores captured first place in the SSL and the freshmen ended the season undefeated.

Coach B. Nicholson's varsity squad set 11 new school records and qualified eight men for state competition: seniors Blair Ball, Jeff Klawitter, Chris Loring, Bob Moffett and Jay Rau represented TR at state. Junior George Rock ran in the high and low hurdles and on the mile relay team with seniors John Faller, Chris Loring and Jerry O'Malley.

Ron Oliver leaps his way to the lead ahead of the Bloom opponents in the 180 low hurdles.

# Racketmen follow through to SSL title

The 1972 TR tennis team again smashed all hopes of their opponents as they ended the season with their second SSL title in a row. Supported by a very determined team effort and the success of such individual stars as Kevin Clifford and Bill Rassel, the Triple T racked up an impressive 14 and 1 season record and another second place district finish. Two outstanding players, Matt Goralka and Bill Pokrajac, made it to the state meet. Unfortunately, they were eliminated after a good effort.

The Frosh-Soph team, not to be outdone by the Varsity, was unbeaten in 13 outings and achieved a fourth place SSL finish.

Directing both squads in making excellent records was the leadership of Coach Harold Anderson.

## Third in SSL, Teebirds swing to 11-4 season

The 1972 Teebirds started with only three returning varsity lettermen. With a new coach, Ron Bauer, and a number of rookie team members, the squad was filled with new faces. Despite their inexperience, the team fared quite well with an 11 win and 4 loss dual-meet record. This record earned the team a third place in the South Suburban league. Coach Bauer was pleased with his team that worked out daily at Glenwoodie Country Club, their home course.

An outstanding performance by Matt Sudaz earned him a third place in district and qualified him for sectional competition.

## Varsity, soph teams gain winning record

The varsity baseball team, led by the hitting of Kevin Zack and Mike Bonczyk, smashed their way to an 11 win — 6 loss record. Pitcher Gary Anderson logged a 7-1 record supported by seniors Dean Anderson in right field, Tom Walsh at shortstop, and Mike Schassberger at catcher.

Junior Tom Calabrese contributed a .378 batting average.

Coaches Wally Shatkowski and Dave Lezeau supported the team in both winning and losing efforts.

The sophomore team earned a 10-5 record for the year, including a 7-3 record in the South Suburban League. This was good enough for the co-leadership in the SSL.

## Girls gymnasts complete 3-4 first season

One of the newer sports activities under the Thornridge banner is the Girls' Gymnastics team. Formed to satisfy the girls' love for gymnastics, this team has added another dimension to the Thornridge Physical Education Department.

In their first year of competition, the girls earned a 3-4 season by defeating Bloom twice and Thornton once. Their four losses were two each to Tinley Park and Thornwood.

Karen Moffett was the all-around eventer, competing in the uneven, balance beam, free exercise, and vaulting competitions.

Sandi Claxton goes up and over as she demonstrates poise doing a straddle vault on the horse.

Leaping for the spike, Laurie Wilcox plays out the point.

## Girls' volleyball accomplishes superb season

Undefeated! Girls' volleyball included four sports days. Team A went 4-0 and Team B took three out of four meets.

This year's team included Carmen Sarue, AFS student. Carmen plays volleyball in her own country, but TR gave her an extra opportunity to play on the T'Ridge team.

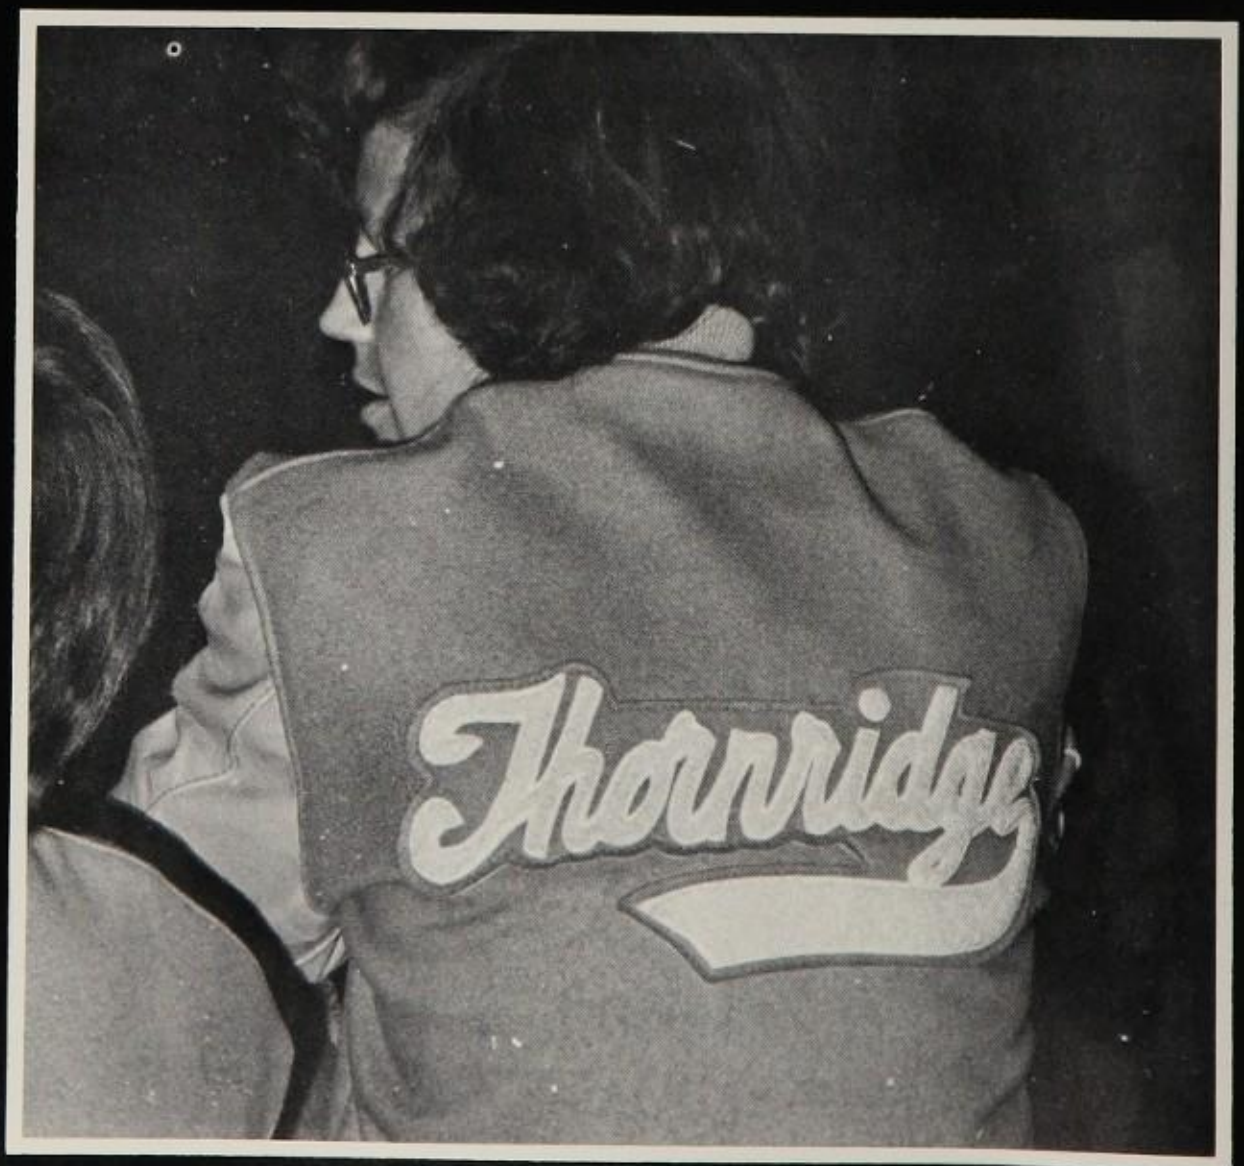

All girls plus team A coach Miss Wahl and team B coach Vicki Kyer chose Jana Hoendervoogt as most valuable player and Karen Jarard most improved player on team A. Team B honors went to Connie Froida MVP and Debbie Maas MIP.

**Girls' Volleyball:** Mary Knabe, Ann Manes, Sharon Pietras, Jana Hoendervoogt, Laurie Willcox, Celeste Cleary, Karen Jarard, Joyce Staudinger, Pat Jacobs, Sue Nesvick, Diane Tomky, Connie Froida, Beth Traylor,

Lynn Dudzik, Carmen Sarue, Anita Bolton, Bobbi Higley, Karen Mason, Darlene Johnson, Debbie Maas, Kim Bowen, Coach Miss Wahl. Missing: Gail Froida, Pat Severson.

# 17 busy men direct activity in Dist. 205

**District 205 Board of Education: Seated:** Mr. Robert C. Evans, Dolton; President Henry Vandenberg, Dolton; Mr. Robert H. Reese, Harvey; **Standing:** Mr. Kairon H. Mielke, Dolton; Mr. Vernon Vollbrecht, South Holland; Mr. Leo F. Piernas, Harvey, and Mr. Fred R. Hennig, Riverdale.

**District 205 Administrators: Seated:** Howard W. Doster, director of buildings and grounds; William E. Augustus, superintendent; Jack C. Curless, assistant superintendent; Donald B. O'Brien, director of curriculum and research; **Standing:** Robert C. Mitchell, Thornwood principal;

David W. Ely, director of business affairs; John E. Tilton, Thornridge principal; John H. Smith, Thornton principal; Arthur Pahl, director of community relations and personnel; Leonard Grotenhuis, director of data processing.

## Tilton retires after 35 years, 24 as principal

When Mr. John E. Tilton leaves his office for the last time this June, he will be concluding 35 years of teaching in Illinois. He is retiring to pursue two favorite pastimes, fishing and traveling.

Mr. Tilton moved up from assistant principal to principal in 1968 when his predecessor became district superintendent, so he has occupied an administrative office at Thornridge since the school opened in 1960.

Although the depression twice interrupted his education, Mr. Tilton was in the first graduating class at Wilson Junior College in Chicago and he earned his bachelor's degree in 1938 from Univ. of Illinois. His master's degree came from Univ. of Chicago in 1942.

In teaching assignments at Elmhurst, Lake Bluff and Mattoon, he taught social studies, math and science. Then in 1944, he came to Dist. 205 as a chemistry and math teacher.

In 1948 he became one of the four class principals at Thornton Twp. High School, so Mr. Tilton has occupied an administrative position for 24 years.

Running a school the size of Thornridge requires long office hours for Mr. John E. Tilton. His door has always been open to those who wish to discuss problems with him.

Mr. Arnold F. Koester spends many of his office hours and some pre-dawn time receiving calls from ill faculty members and phoning substitutes to fill in for them.

## Koester to finish 39-year career

Carrying a perfect attendance record for 38½ years is only one of the facts in Arnold Koester's 39-year teaching record. Last semester he missed one day to snap the attendance marathon.

Mr. Koester is resigning this June to concentrate on traveling with his wife, who has been a frequent substitute at Thornridge.

Coming to TR as assistant principal when the school opened in 1960, Mr. Koester has been in charge of instruction. Supervising and assigning all student teachers and all substitute teachers are the tasks that fill most of his hours. He also makes periodic visits to all teachers' classrooms and directs the in-service

training of new staff members.

From 1960 to '64, Mr. Koester served as director of guidance and also director of special education. For the two years before Thornridge opened, he was dean of boys at Thornton Twp. High School.

Prior to that, all his experience was on the college level. He first taught psychology and German and was an assistant coach at Waukon (Iowa) Junior College (1934-37).

Then for 18 years (1940-58), Mr. Koester was a part of Thornton Junior College in Harvey. He chaired both the psychology and German departments, coached baseball for 10 years, and ultimately became director of personnel.

## 3 principals share duties, responsibilities

Mr. Salato is responsible for the daily management of the school and for the scheduling of all classes. He articulates and integrates the activities of the deans and counselors, and he works with the PILOT program as it affects TR.

Mr. Carmichael is in charge of curriculum development and research. He is responsible for bus assignments and I.D. cards.

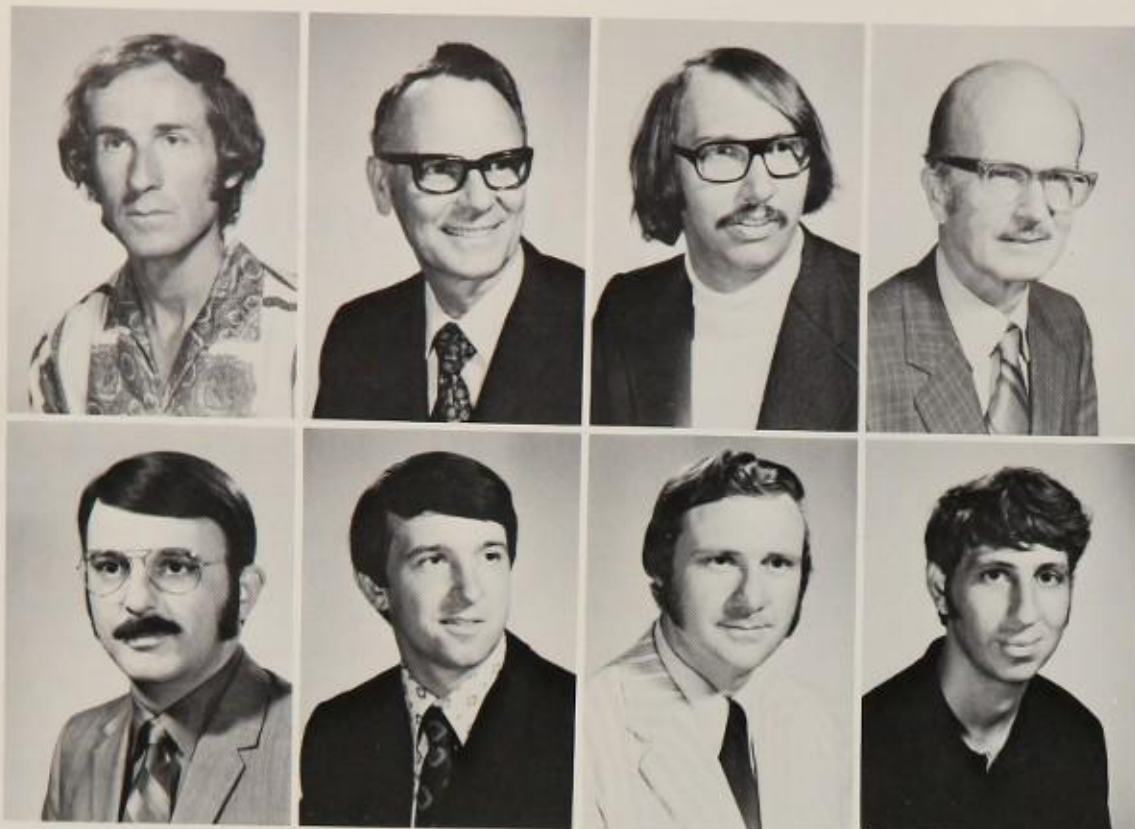

This year each academic department is assigned to an assistant principal. Mr. Koester has Business, English, Foreign Language, Math, Science and Speech. Mr. Salato has Athletics, Boys and Girls P.E., Counselors, Deans, Developmental, Nurses and TMH.

Mr. Carmichael has Art, Audio-Visual, Homemaking, Industrial Arts, Music and Social Studies.

**Above:** Behind assistant principal Mr. Sal Salato's desk is the master board on which he plans the year's class schedule. **Right:** Mr. Dan Carmichael, assistant principal, works on the curriculum handbook that tells each student about the courses he may take for next year.

## Special cases find assistance in 4 programs

Special problems call for special help, and District 205 provides more of this special help than most Illinois school districts.

Teenagers with learning handicaps find the aid they need in either the EMH (Educable Mentally Handicapped) program, housed at Thornton for the whole district, or the TMH (Trainable Mentally Handicapped) program which moved into the new ECHO headquarters this year.

FAS (Family Adjustment School) provides part-time school for girls awaiting their babies.

OAS (Opportunity Adjustment School) gives a last chance to those who have been unable to meet the behavior standards of the regular classroom. The program has about 20 participants who usually stay a semester before returning to regular classes. The few who do not learn to cope with the academic situation in the OAS program face expulsion.

ECHO (Exceptional Children Have Opportunities) opened its doors in the fall for TMH classes. The new facility is on 154th St. in South Holland.

OAS offers participants 1½ credits in three courses.

OAS students meet in the portable classrooms outside TR's D Building.

# Index

In order to give all students at TR in 1972-73 some recognition, the entire student body is named here. The numbers refer to those also pictured.

# Editors find answers

Many people have helped us to produce the '73 Piper, too many to name each one individually. A special thank you is extended to the Hacklemans from Delmar Printing Company, Root Studios for taking album pictures and Jim Kompare for his share of the photographs on these 224 pages. Mrs. K. De Pirro deserves a note of praise for sketching the piper on the cover. Linda Christian suffered through many inconveniences in setting up a picture.

Our ever-patient adviser, Mrs. "G" (Grossman) acted as our guiding light throughout the year. Members of the Bagpipe staff, especially Debbie Degman and Ken Unterberg added moral support and helped alphabetize in album section.

Finally, we would like to thank everyone for giving us the material to record and the answers to our questions about Thornridge in '73.

Chere & Linda

Thornridge is a very real part of us now, and it always will be. We have strived to do our best academically, get involved in activities and make friends. Being at Thornridge has answered many questions and raised many others for us to ponder. It is possible to find answers to all our questions, but many answers do not come easily. Captain John Borling from Riverdale and the P.O.W's found their answers, but it took a long time and a lot of patience and courage. We must all have the patience and courage to search for the truth, to find and be ourselves. It is very hard to find answers if one does not ask questions.

Well golly, gee, gosh, Fred,

Here it is the end of the year,

and we have "Gonna Kill Myself," "Captain Firefly," Dave  
Boyer, "Time to Run," hazyos, harmonicas, Jesus Freaks  
atheists, Theresa Woods, Pumpkin special, Karen, Connie  
Sheila, <sup>From</sup> any other girls you can think of, O'Conner and Goldburg,  
Orphans, Mr. Steyer, Mr. Blake, Miss Craig, James Taylor,  
2:001 aspace olympic, Stanley Kubrick, IIT, fantasies, Firefly prod.  
times, and pizzia out the window. I'll really remember you. But if you  
this year, and I'll really remember you. But if you  
ever find out "what is reality" let me know, will you  
again remember, its all pizzia out the window  
your cohort in good and bad faith,

Dear Fred,

I must say it has been an interesting year.  
And knowing you has made it a little  
more interesting than I thought it would be. (than it should have been)  
I must say Math Club wasn't a total  
flop and it's bound to be better next  
year. Have a great time at I.I.T. and  
I'd better hear great things about you  
or I'll be disappointed. Have a great  
summer and ENJOY LIFE.  
Mina Bjelotomic

FREDDY,  
I have  
deeply appreciated  
to your great ability  
however I don't think  
a little more practice would  
harm you and your friends.  
Be Good,  
LORETTA  
LENKSIOS

Fred,  
IT WAS FUN LISTENING  
TO YOU AND MR. STEFFER TALK  
ABOUT THINGS THAT DID NOT  
HAVE ANYTHING TO DO WITH THE  
ASSIGNMENT. BUT KEEP THAT WAY  
IT BREAKS UP MONOTONY.  
JOHN SZABOK

MASTER FRED (BIG BROTHER)  
THANK YOU FOR FINDING MY  
IDENTITY!  
T.R. IS HUMAN.  
A. Justy Raulow

FRED,  
Well guy, you didn't get  
much of a chance to be the sheriff  
this yr., but still all right, as long  
as you anyway! It's been fun as  
boy. Wow! 2 yrs. of Chorus!  
Good luck & stay sweet!  
Love, Bummer  
Cindy Bummer

Fred,  
It was fun going from  
Raku to Cray that we made it.  
you helped to make both of  
them treatable. Good luck  
that works in the future.

FRED,  
I don't agree  
with any of your  
philosophies and  
if you try to  
push them on me  
you know what  
I'll do "SMASH"  
on your ~~cookies~~ cookies!  
Good Luck in your

Hello.  
How are ya? I must say,  
Fred, you were one of the  
true intellectuals I have known  
this year. Many are pseudos,  
but you're stone to the bone.  
Your late year lethargy was  
a very comforting thing; a  
person after my own heart  
hang in there and don't change  
regardless of society's pressures.

Larry D.

Free,

I've been rather  
mad at your Actions this  
year; but no matter what I  
say you won't change so  
I can loose all the breath  
I want, but won't loose to much,  
I might just die! So the hell  
with it. Just don't stay  
the same change!

Good - Luck  
At IIT

Nick
